

CHECK-IN POLICIES

TUESDAYS:

All players check in 30 minutes prior to your tee time.

Everyone checks in the Pro Shop.

After you check in and pay your fee make sure you have:

- Scorecard
- Golf clubs
- Golf balls
- Tees
- Water bottle
- Sunscreen
- Use bathroom facilities (if needed-its a long walk).

Then hit range balls or chip and putt to warm up before play.

9 hole players:

Report to the front of the Pro Shop or putting green area 10 minutes prior to your tee time. You will be called to the tee box from that area. We will not come looking for you. It is your responsibility to be there and be ready.

3 and 6 hole players:

Can also warm up but must be under the patio area 15 minutes prior to your tee time.

All players can carry their bag or use a pull cart.

Motorized carts are not allowed.

Friends of players are not allowed on the course with the players.

Parents of the 3 and 6 hole players may accompany the kids on the course.

Parents of the 9 hole players may go on the course to watch but may not talk to or help in any way. Please stay 30 yards away from the players.

THURSDAYS:

Everyone checks in and pays the \$10.00 fee on the patio at least 20 minutes prior to your scheduled practice time.

SCORING LIMITS:

6 & 9 Hole players:

We use the double par rule. After you have received a double par, you pick up your ball and move to the next hole. Mark that hole on your score card with a small x so we know you picked up. All players will turn in a score card each Tuesday.

GHIN NUMBERS / HANDICAP INDEX:

All 9-hole players must have a GHIN number. Every round must be posted into the GHIN computer. If you do not enter a score it is considered cheating. Typically, you would pay a fee to the Ladies League and they would issue the GHIN number. Unless I am told otherwise, you will not be charged for this service. As long as this service remains free to the junior girls, I will coordinate getting your GHIN number for you. If a fee is imposed, each junior girl will be responsible for getting and paying for the GHIN number.

What is a GHIN number? It is a way to track your scores and the progress you are making and also allows players of different skill levels to fairly compete against each other in tournaments and informal matches. A GHIN number is a requirement for entry into almost all competitive events in Colorado and across the country.
