

Regional Water Treatment and Transmission Study Update

Chris Matkins
LUC – May 15, 2013

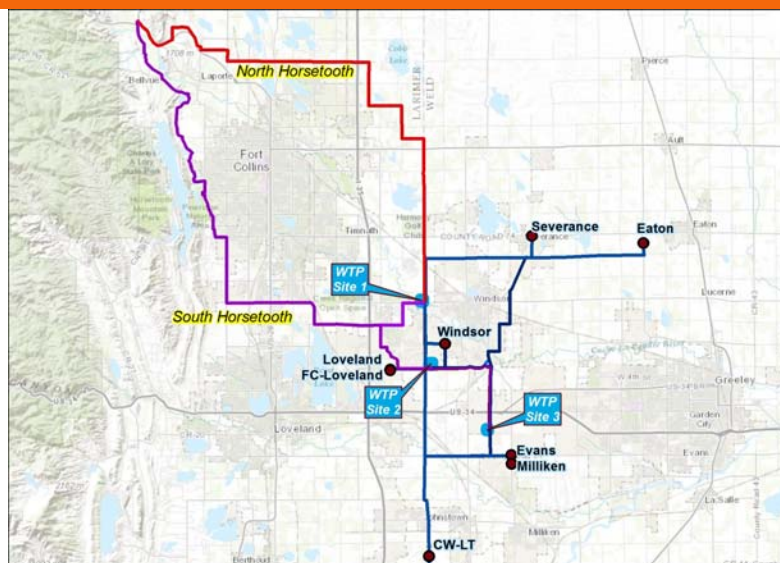

Average & Peak Finished Water Demands (1990 to 2012) with Capacity Projections (Including Purchases)

Participants

- ☞ Central Weld Water District/Little Thompson Water District
- ☞ Town of Milliken
- ☞ City of Loveland
- ☞ Town of Evans
- ☞ Town of Severance
- ☞ Town of Firestone
- ☞ Town of Frederick
- ☞ Town of Eaton
- ☞ Town of Windsor
- ☞ Fort Collins-Loveland Water District

Transmission Line Route Alternatives

Project Considerations

- ⌘ Timing of this project vs. Potential Chimney Hollow plant
- ⌘ Cost of this project vs. Potential Chimney Hollow Plant
- ⌘ Water Quality
- ⌘ Peaking plant vs. year-round
