What is SNAG Golf?

SNAG® is a FUN game that is EASY to learn. It contains all the elements of golf but in a modified form. SNAG® allows for full shots, pitching, chipping & putting. It is a proven entry-level learning & training tool.

Any age group can play and it is perfect for an inexpensive family fun option this summer!

The SNAG® equipment is specifically designed to simplify the learning process. It is played with only 2 clubs: the Launcher™ is used to launch, pitch, and chip the ball; like a putter, the Roller™ is used to roll the ball toward the target.
