V. REGULAR AGENDA:

1. Intergovernmental Agreement with Johnstown & GMA Boundary Amendment

This is a public hearing to consider two separate but related items that are part of a larger strategy of cooperation with the Town of Johnstown in the handling of annexation and planning matters in the area where the two communities are adjacent.

First, an Intergovernmental Agreement (IGA) between the City of Loveland and Town of Johnstown. This IGA establishes a process for cooperation between the two municipalities when processing annexations in an area generally described as being bounded by I-25 on the east, Larimer County Road 7 on the west and State Highway 60 on the south, extending north for approximately one and one half miles and defined in the IGA as the Overlap Area.

Second, an amendment to Loveland's Growth Management Area boundaries so as to remove certain properties located on the west and east sides of I-25, north of State Highway 402, and primarily south of the Big Thompson River. This amendment is being proposed as a clean-up of the GMA boundaries as it is unlikely that Loveland would be able to annex or serve any of the property being removed from the GMA.
