Dear Nominator,

Your volunteers are the heart of the Loveland community and we are planning a heartwarming evening to honor them! At the 2014 *Loveland Honors* celebration, 50 volunteers of **Loveland non-profit organizations** will be recognized for the outstanding contribution they make to the Loveland community. We hope that you will join us for the festivities on **Wednesday, April 16th 2014** from 5:00-7:00 p.m. at the Police & Courts Building (address below). The *Loveland Honors* program provides a community recognition forum for volunteers of **Loveland non-profit organizations** and is sponsored by McKee Medical Center and the City of Loveland.

It's easy to nominate your volunteer. Please take a few minutes to complete the attached form. **The Loveland Honors Committee will accept nominations received by 5:00p.m. Friday, March 14.** The first 50 volunteers nominated will be invited to the awards celebration along with their nominators. We recognize you have many volunteers worthy of this special tribute, but we ask that you nominate **no more than a total of six nominations from the school district** who truly deserve to be recognized as exceptional volunteers. This will help ensure a representative collection of volunteers from our community. **We encourage you to nominate someone who has not been honored in the past.**

The Loveland Honors committee will accept a total of **six nominations from the school district**. If more than six nominations are received, we will do our best to judge each nominee and choose the top six candidates to be honored on April 16. Judging will be based on the following criteria:

- **Direct Impact:** How the volunteer creates a significant, direct impact upon the school, its staff, and/or the students.
- **Indirect Impact:** Reflects the nominee's sense of responsibility and dedication, how reliable he or she is, and the nominee's overall attitude.
- **Scope of Impact:** Factors such as the number of students served and the number and types of services or tasks performed for the school will be considered.
- **Years of Service:** Example, four years would score higher than less than one year of service.

Thank you for your continued involvement in the annual Loveland Honors Volunteer Awards Celebration.
