Dear Loveland Volunteer Nominator,

Your volunteers are the heart of the Loveland community and we are planning a heartwarming evening to honor them! At the 2014 *Loveland Honors* celebration, 50 Loveland volunteers of non-profit organizations will be recognized for the outstanding contribution they make to the *Loveland* community. We hope that you will join us for the festivities on **Wednesday, April 16th 2014** from 5:00-7:00 p.m. at the Police & Courts Building (address below). The *Loveland Honors* program provides a community recognition forum for volunteers of **Loveland non-profit organizations** and is sponsored by McKee Medical Center and the City of *Loveland*.

It's easy to nominate your volunteer. Please take a few minutes to complete the attached form. The *Loveland* Honors Committee will accept **nominations received by 5:00p.m. Friday, March 14**. The first 50 volunteers nominated will be invited the awards celebration along with one guest and their nominator. We recognize you have many volunteers worthy of this special tribute, but we ask that you nominate no more than **two** who truly deserve to be recognized as exceptional volunteers. This will help ensure a representative collection of volunteers from our community. We encourage you to nominate someone who has not been honored in the past and someone who volunteers in *Loveland*.

Thank you for your continued involvement in the annual *Loveland* Honors Volunteer Awards Celebration.
