3 **Meeting Summary**
4 **November 18, 2013**

5 A meeting of the Loveland Historic Preservation Commission was held Monday, November 18, 2013 at 6:00 P.M.
6 in the City Council Chambers in the Civic Center at 500 East Third Street, Loveland, CO. Historic Preservation
7 Commissioners in attendance were: Janelle Armentrout, David Berglund, Jim Cox, Stacee Kersley, Trudi Manuel,
8 and Matt Newman. Bethany Clark of Community & Strategic Planning, Nikki Garshelis of Development Services
9 were also present. Council Liaison John Fogle and Commissioner Mike Perry were absent.

10 Guest: Larry Melton, Realtec Commercial Real Estate Services

11 **CALL TO ORDER**

12 *Commission Vice Chair Berglund called the meeting to order at 6:00 p.m. Commission Chair Newman arrived at*
13 *6:05pm and took over the agenda at Consideration of New Business*

14 **APPROVAL OF AGENDA**

15 *Commissioner Manuel made the motion to approve the agenda as is. Commissioner Cox seconded the motion*
16 *and it passed unanimously.*

17 **APPROVAL OF MINUTES FROM OCTOBER MEETING**

18 *Commissioner Kersley made the motion to approve the minutes of the October 21, 2013 meeting. The motion*
19 *was seconded by Commissioner Cox and it passed unanimously.*

20 **CITIZEN REPORTS**

21 *Bethany Clark introduced Larry Melton from Realtec Commercial Real Estate Services who was in attendance to*
22 *update the HPC on the status of the Arcadia Hotel at 140 E. 4th Street in Loveland. Bethany Clark gave an*
23 *overview of the history of the hotel including:*

24

- 25 • Frank G. Bartholf and E. S. Allen constructed the A&B Building in 1884, which housed the area's first
26 opera hall on the second floor. There was also roller skating, offices and retail in the building and for
27 many decades, the building housed W&T Pharmacy. Apartments and sleeping rooms are currently on
28 the second story.
- 29 • The Arcadia Hotel was last renovated in 1953.
- 30 • In 1938 the ornamentation was removed and the stucco was applied on the facade.
- 31 • After touring with Fire and Building staff, Clark said they pointed out structural issues in the building.
32 The exterior wall, for example is peeling away from the roof system. The foundation is sandstone and is
33 crumbling, she added.

34 *Larry Melton stated that the building is "extremely tired" and needs to be replaced. From an economic*
35 *viewpoint the cost of restoring the building is too high, he said. He recently took a prospective buyer on a tour*
36 *who initially said that renovating the structure was his first choice. After he toured it, the buyer was convinced*
37 *that the building had to be demolished, Larry disclosed. Larry answered several questions posed by the*
38 *Commissioners. He said he would like to take them all on a tour of the building. Commissioner Cox said he was*
39 *sympathetic to Melton's situation and has experienced the same issues with projects in Fort Collins.*
40 *Commissioner Kersley expressed her disappointment that some of the old buildings downtown have not been*
41 *maintained properly.*

42 **CITY COUNCIL UPDATE**

43 None

50
51 **STAFF UPDATE**

52 *Bethany Clark's staff report included:*

- 53 • The bids for the demolition of the Swartz Farmstead are due the first week in December and demolition
54 will likely occur shortly after that time. Staff will be working on a Press Release announcing the
55 demolition and highlighting the efforts to save the buildings. The Press Release will be published shortly
56 before the demolition is scheduled.
- 57 • At their October 28th meeting, the Planning Commission reversed their original denial of the ArtSpace
58 project by a vote of 7 to 2. Staff corrected a previous error to the parking calculations which the
59 Planning Commission reviewed. The Planning Commission also requested that the original color palette
60 be revised to a more muted palette and ArtSpace agreed to the changes.
- 61 • Most of the Viestenz-Smith Mountain Park was destroyed by the flood. The only buildings that remain
62 are the caretaker's cabin, the Environmental Education Center on the north side of the river and the
63 butterfly display shelter and one other structure (probably the restrooms) on the south side of the river.
64 The bridge across the Big Thompson River has been destroyed and staff is determining how to secure
65 temporary access to the north side of the river.
- 66 • The garage of the Bishop House has been moved to the site off Taft Avenue. Once the foundation is
67 complete the house will be moved there too. The house is already on blocks.
- 68 • The Great Western Railway Depot's moving to Granby deadline has been extended because of contract
69 review.

70 **71 CONSIDERATION OF NEW BUSINESS**

72 **Historic Preservation Month Discussion**

73 *Commission Vice Chair Berglund* reported that he had asked for this item to be placed on the agenda to start
74 planning for events in May.

75 *Nikki Garshelis* reported that Mariano Medina's leather breeches will be loaned to the Loveland Museum from
76 the Museum of the Mountain Man in Wyoming and will be on display throughout May of 2014. The "Tour de
77 Pants" event will be part of the May schedule and she is looking for a couple of Commissioners to assist with
78 planning. Bill Meirath from the Loveland Historical Society has confirmed that he would like to be involved, she
79 said.

80 Commissioners continued with more ideas for events including:

- 81 • Commissioner Kersley suggested something to do with the flood.
- 82 • Commission Chair Newman said the 2013 workshops were good and should be reconsidered for 2014.
- 83 • Commissioner Manuel suggested a workshop on plaster repair.
- 84 • Commissioner Cox said the February Saving Places Conference might give them more ideas and
85 instructors to invite to do a workshop.
- 86 • Commissioner Armentrout suggested a historic wallpaper workshop. During recent visits to Monticello
87 (Jefferson) and Montpelier (Madison), she viewed displays exhibiting the original materials and

95 workmanship in the structures. There was a discussion about how the Milner-Schwarz House had
96 similar displays.

97 • A suggestion was made to use tents outside the Milner-Schwartz House for workshops.

99 **HPC Budget Review**

100 Commissioners reviewed the budget and suggested that some funds be used to print more Walking Tour
101 brochures. Bethany Clark said there are already many boxes of brochures and the back page will be out of date
102 by 2014. Commissioner Cox suggested getting closer to the budget in 2014. Commission Chair Newman
103 suggested doing more outreach in May of 2014.

105 **Holiday Party and Approval of HPC Funds**

106 *Commissioner Kersley* reviewed the progress made on the upcoming holiday outreach event scheduled for
107 December 16 from 5:00pm-7:00pm. There are two locations being considered, Loveland Ale Works and Artisan
108 Hall. She explained that Loveland Aleworks allowed food to be brought in and Artisan Hall serves individual
109 plates. There was a long discussion about how much of the budget should be used for the food.

111 *Commissioner Manuel made the motion to use \$500 or less on food for the event, the motion was seconded by
112 Commissioner Armentrout and it passed 5-1 with Commissioner Berglund voting against.*

113
114 *Commissioner Berglund* explained he voted against the amount because he would like to know what other
115 commissions spend on events first. There was a discussion that this event was part of the HPC's outreach
116 efforts. Commissioner Manuel distributed a written exercise she said would be asked of the guests to stimulate
117 conversations about historic preservation. Commissioner Kersley pointed out that it was important to network
118 with business and building owners about the benefits of preservation. It was agreed that the event should be
119 considered an end of the year historic preservation outreach effort.

120
121 The Commissioners decided to allow Commissioner Kersley to finalize the location and caterer of the event and
122 will assist, if necessary, in sending out the invitation. Commissioner Kersley estimated that the number of
123 people invited could be 60+ guests.

124

STAFF UPDATE

Meeting Date: January 20, 2014

To: Loveland Historic Preservation Commission

From: **Bethany Clark, Community & Strategic Planning**

Format:

If a more in-depth discussion or extensive questions on a specific item is desired, staff requests that the HPC Chair establish if it is the Commission's consensus to have a longer discussion. Staff will be happy to answer questions on any item with individual commissioners after the meeting.

If the staff update indicates that staff will be pursuing a particular course of action, no comment from the Commission indicates that the Historic Preservation Commission is supportive of that course of action.

Staff Update Items:

Swartz Farmstead

A contractor has been selected for the Swartz Farmstead and Fairgrounds Grandstand demolition. The contractor has 45 days to complete the demolition, which should begin soon. Cultural Resource Historians completed the Level II Documentation of the Swartz Farmstead. A copy has been sent to History Colorado and the City's copy will be on record at the Loveland Museum.

Downtown Historic District

Staff had the first consultation meeting with the grant specialists from the State Historic Fund and the consultant hired to prepare the Downtown Historic District nomination to the National Register. The consultant will begin researching the buildings in the proposed district and identifying any architectural changes from the surveys prepared in 1999 to update for the nomination. A public meeting will be scheduled shortly to kick off the process at which time the Historic Preservation Commission will play a big role in the out

Historic Preservation Action Plan

In November, the City was contacted by a graduate student from the University of Colorado Denver, Public Administration Program with an interest in finding a project that would fulfill his capstone requirements. He has a strong background in historic preservation including a Master's Degree in Public History with a Historic Preservation Certificate, a Bachelor of Arts in Public History, and work experience for various municipalities in historic preservation. Community and Strategic Planning developed a project proposal for an updated Preservation Action Plan with a new five-year strategic plan and a strategic outreach program, which he

accepted and will begin working on for his Capstone Project. Mr. Nicholas Wharton will be attending the February meeting to discuss the project.

Saving Places Conference

The Saving Places Conference is February 5th-7th. If you have not submitted your registration confirmation for reimbursement of \$140, please do so as soon as possible.

- Location: Loveland Public Library, Gertrude Scott Room, 300 N. Adams Avenue

May 30th - Ghost Signs

Among the most revered yet endangered sign media in American history is the painted wall advertisement. Painted by hand in vivid colors or in bold contrast by "wall dogs", these signs were left to the elements and faded with time. The results were "ghost signs." Come join historian Carol Turner and State Historical Fund Preservation Specialist Anne McCleave to learn more about these faded advertisements, the men behind them, and different preservation techniques. Contact: Bethany Clark (970) 962-2745.

- Time: 6:00pm
- Location: Loveland Public Library, Gertrude Scott Room, 300 N. Adams Avenue

LOVELAND HISTORY DAY FOR SECOND GRADE SCHOOL STUDENTS

FIELD TRIP FACILITATOR APPLICATION

The Loveland Museum/Gallery is excited to partner with Thompson Education Foundation and the Lola Johnson Field Trip Fund to bring History Day to second grade students in the Thompson School District. These field trips will include hands-on lessons and tours of historic sites that will enhance the curriculum for local history. Lola Johnson's family established the Fund with Thompson Education Foundation to celebrate Lola's commitment to education in our district. Lola supported the restoration of Lone Tree Schoolhouse and helped write the first Loveland history curriculum for elementary school students. This second grade field trip will be an annual spring opportunity, provided at no cost to the second grade classrooms or the schools. Our goal is to serve each and every second grade classroom in 20 elementary schools in TSD, meaning this program could reach a few thousand students.

We are in need of adults to help us facilitate and supervise this field trip. Volunteers will be screened and then will be assigned to help with lessons, and also the supervision and safety of the participants. Please note that this is a three-day program, however, you do not need to sign up to help all three days. You DO need to be available from 9 am - 3 pm for the days you sign up for, though. Please return this form to: Jenni Dobson, Curator of Education, Loveland Museum/Gallery, jenni.dobson@cityofloveland.org. For questions, please email or call 970-962-2562.

ELECTION OF OFFICERS

Loveland Historic Preservation Commission

January 20, 2014

The term of office for the chairperson and the vice chairperson shall be 1 year. Each officer shall be eligible for reelection. However, chairpersons are encouraged not to serve for more than 2 consecutive years so that other board or commission members may gain experience as a chairperson. Officers shall be elected at the next regular meeting following the month of the year in which the terms of office of the members of the board expire. *The term of office for this year's elected chairperson and vice chairperson shall expire February 2015.*

1. The current Chairperson shall precede the election and shall do so by making note that the election is taking place.
2. Any member of the Commission may nominate any other member of the Commission to the position of Chairperson or Vice Chairperson.
3. A main motion is made (*"I move to elect as Chairperson of the Historic Preservation Commission... "*).
4. A second is made to the motion.
5. The motion is discussed.
6. Upon conclusion of the discussion, and if the elected member willingly agrees to the terms of office, the main motion is voted upon.
