Open Lands Trail Guidelines

- Loveland's trails have many different types of users. Please be courteous to others on the trail.
- The flow of traffic on trails is similar to road traffic – always walk or ride on the right side.
- When passing others on the trail, verbally warn them that you are passing on the left.
- Ride or walk single file when traffic is approaching from the opposite direction or when someone verbally signals they would like to pass.
- Be predictable: ride or walk in a straight line and avoid weaving.
