**PROCLAMATION OF ELKS LODGE #1051 HISTORIC PRESERVATION CELEBRATION
(Rod Johnson and Debbie Davis)**

Anyone in the audience will be given time to speak to any item on the Consent Agenda. Please ask for that item to be removed from the Consent Agenda. Items pulled will be heard at the beginning of the Regular Agenda. Members of the public will be given an opportunity to speak to the item before the Council acts upon it.

Public hearings remaining on the Consent Agenda are considered to have been opened and closed, with the information furnished in connection with these items considered as the only evidence presented. Adoption of the items remaining on the Consent Agenda is considered as adoption of the staff recommendation for those items.

Anyone making a comment during any portion of tonight's meeting should come forward to a microphone and identify yourself before being recognized by the Mayor. Please do not interrupt other speakers. Side conversations should be moved outside the Council Chambers. Please limit comments to no more than three minutes.

CONSENT AGENDA

1. CITY CLERK (presenter: Terry Andrews)

APPROVAL OF MEETING MINUTES

A Motion to Approve the City Council Study Session Minutes for the August 12, 2014 Study Session

This is an administrative action to approve the City Council Study Session meeting minutes for the August 12, 2014 Study Session.

2. PUBLIC WORKS (presenter: Dave Klockeman)

SUPPLEMENTAL APPROPRIATION TO UPDATE CDOT TRAFFIC OPERATIONS CENTER EQUIPMENT

A Motion to Approve and Order Published on Second Reading an Ordinance Enacting a Supplemental Budget and Appropriation to the 2014 City of Loveland Budget to Update Equipment at the Traffic Operations Center (TOC) in the City of Loveland

This is an administrative action. The City has received a Federal grant, not to exceed \$205,000 of the \$247,615 total project cost, through the STP-Metro program to fund the upgrade of equipment at the existing TOC. This item consists of consideration of the second reading of an ordinance to appropriate the necessary funds for this project. The project is funded from federal funds, not to exceed \$205,000, and City of Loveland local match funds, \$42,615, for a total project cost of \$247,615. The City funds are included within the approved 2014 Budget for Public Works Transportation Capital Improvement Projects. This ordinance was approved unanimously on first reading by Council at the August 19, 2014 regular meeting.

3. PUBLIC WORKS (presenter: Dave Klockeman)
SUPPLEMENTAL APPROPRIATION FOR ROADWAY WEATHER INFORMATION UPDATES

A Motion to Approve and Order Published on Second Reading an Ordinance Enacting a Supplemental Budget and Appropriation to the 2014 City of Loveland Budget to Update the Existing Roadway Weather Information System in the City of Loveland

This is an administrative action. The City has received a CDOT grant, not to exceed \$304,000 of the \$380,000 total project cost, through the Responsible Acceleration of Maintenance and Partnerships (RAMP) program to fund the expansion and upgrade of the roadway weather information system throughout the City of Loveland. This item consists of consideration of the second reading of an ordinance to appropriate the necessary funds for this project. The project is funded from federal funds, not to exceed \$304,000, and City of Loveland local match funds, \$76,000, for a total project cost of \$380,000. The City funds are included within the approved 2014 Budget for Public Works Transportation Capital Improvement Projects. This ordinance was approved unanimously on first reading by Council at the August 19, 2014 regular meeting.

4. PUBLIC WORKS (presenter: Dave Klockeman)
SUPPLEMENTAL APPROPRIATION FOR THE I-25/CROSSROADS ANTI-ICING SYSTEM

A Motion to Approve and Order Published on Second Reading an Ordinance Enacting a Supplemental Budget and Appropriation to the Transportation Fund Capital Program for I-25/Crossroads Anti-Icing System

This is an administrative action. The City has received a CDOT grant, not to exceed \$200,000 of the \$250,000 total project cost, through the Responsible Acceleration of Maintenance and Partnerships (RAMP) program for the expansion and upgrade of the roadway weather information system throughout the City. This item is consideration of the second reading of an ordinance to appropriate the necessary funds for this project. The project is funded from federal funds, not to exceed \$200,000, and City of Loveland local match funds, \$50,000, for a total project cost of \$250,000. The City funds are included within the approved 2014 Budget for Public Works Transportation Capital Improvement Projects. This ordinance was approved unanimously on first reading by Council at the August 19, 2014 regular meeting.

5. DEVELOPMENT SERVICES (presenter: Brian Burson)
EASEMENT VACATION FOR RESURRECTION FELLOWSHIP CHURCH

A Motion to Approve and Order Published on Second Reading an Ordinance Vacating an Emergency Access Easement Across Lot 1, Block 1, Kness Addition,

City of Loveland, County of Larimer, State of Colorado

This item is a legislative action to adopt an ordinance on second reading vacating a public emergency access easement on Lot 1, Block 1, Kness Addition to the City of Loveland. The applicant and owner of the property is Resurrection Fellowship Church. This ordinance was approved unanimously on first reading by Council at the August 19, 2014 regular meeting.

6. DEVELOPMENT SERVICES (presenter: Kerri Burchett)

AMENDMENT TO BOYD LAKE VILLAGE CONCEPT MASTER PLAN

A Motion to Approve and Order Published on Second Reading an Ordinance Approving a First Amendment to the Conceptual Master Plan for the Waterfall Fourth Subdivision and the Waterfall Fifth Subdivision, City of Loveland, County of Larimer, State of Colorado, also Known as Boyd Lake Village

This item is a quasi-judicial action to consider amending the Boyd Lake Village Conceptual Master Plan (the "Master Plan"). The applicant is McWhinney Inc. Currently, the Master Plan designates specific primary and non-primary land uses for each lot so that at build out the project satisfies the zoning requirement that 60% of the land area is developed into primary jobs. There are seven vacant lots remaining in the 32-acre development located on the north side of East Eisenhower Boulevard, south of Boyd Lake. The removal of the specific designations will provide the applicant greater flexibility in locating primary and non-primary jobs on the remaining vacant lots within the development. Development standards contained in the Master Plan will ensure that the mix of primary and non-primary jobs remain in compliance with the zone district requirements. The amendment would not change the designations of existing uses or alter the design standards approved for the development. This ordinance was approved unanimously on first reading by Council at the August 19, 2014 regular meeting.

7. DEVELOPMENT SERVICES (presenter: Brian Burson)

AMENDMENTS TO LOVELAND EISENHOWER 1ST SUBDIVISION CONCEPT MASTER PLAN

A Motion to Approve and Order Published on Second Reading an Ordinance Approving a First Amendment to the Conceptual Master Plan and a First Amendment to the Annexation and Development Agreement for the Loveland Eisenhower First Subdivision, City of Loveland, County of Larimer, State of Colorado

This is a legislative action to amend the annexation and development agreement and a quasi-judicial action to amend the Concept Master Plan for the Loveland Eisenhower 1st Subdivision. The amendments would allow development of 240-368 apartment units in the northeasterly portion of the site as an additional non-primary workplace use under the MAC zoning. With the proposed amendments, the original requirement set forth in the Conceptual Master Plan for a minimum of 23.9 acres of land area and 300,000 square feet of floor area to be developed for primary jobs would still be met. The applicant is Greg Parker representing Loveland Eisenhower Investments, Inc. This ordinance was approved unanimously on first reading by Council at the August 19, 2014 regular meeting.

8. CITY MANAGER (presenter: Bill Cahill)

YOUTH ADVISORY COMMISSION MEETING LOCATION CHANGE

A Motion to Approve Resolution #R-61-2014 Amending the Scheduled Meeting Location for the Youth Advisory Commission

This is an administrative action amending the scheduled meeting location for the Youth Advisory Commission.

9. **FINANCE** (presenter: Brent Worthington)**FINANCIAL REPORT FOR JULY 2014**

This is an informational item. The Snapshot Report includes the City's preliminary revenue and expenditures including detailed reports on tax revenue and health claims year to date, ending July 31, 2014.

10. **CITY MANAGER** (presenter: Alan Krcmarik)**INVESTMENT REPORT FOR JULY 2014**

This is an information only item. The 2014 budget projection for investment earnings for 2014 is \$2,025,920 which equates to an annual interest rate of 0.94%. For June, the amount posted to the investment account is \$236,959. For the year-to-date, the amount posted is \$1,219,900. Actual earnings are now above the year-to-date budget projection by \$7,919. Based on the monthly statement, the estimated annualized yield in July on the securities held by US Bank was 0.98%, 0.01% lower than June. Due to the demands for draws from the fund balances to pay for the cost of flood response and project repair and slow reimbursement, the portfolio has a significantly lower fund balance than it would otherwise.

END OF CONSENT AGENDA**CITY CLERK READS TITLES OF ORDINANCES ON THE CONSENT AGENDA**

PUBLIC COMMENT *Anyone who wishes to speak to an item NOT on the Agenda may address the Council at this time.*

1. Presentation from the Larimer Human Society (presenter: Judy Calhoun)

PROCEDURAL INFORMATION

Anyone in the audience will be given time to speak to any item on the Regular Agenda before the Council acts upon it. The Mayor will call for public comment following the staff report. All public hearings are conducted in accordance with Council Policy. When Council is considering adoption of an ordinance on first reading, Loveland's Charter only requires that a majority of the Council quorum present vote in favor of the ordinance for it to be adopted on first reading. However, when an ordinance is being considered on second or final reading, at least five of the nine members of Council must vote in favor of the ordinance for it to become law.

REGULAR AGENDA**CONSIDERATION OF ITEMS REMOVED FROM CONSENT AGENDA**11. **ECONOMIC DEVELOPMENT** (presenter: Betsey Hale)**PUBLIC HEARING****SUPPLEMENTAL APPROPRIATION FOR REGIONAL TOURISM AUTHORITY APPLICATION**

A Motion to Approve and Order Published on First Reading an Ordinance Enacting a Supplemental Budget and Appropriation to the 2014 City of Loveland Budget for Consulting Services to Develop the Regional Tourism Authority Application to the State of Colorado Economic Development Commission

This is an administrative action. The ordinance provides \$175,000 in funding for consultants to develop the application for the Regional Tourism Authority to the state Economic Development Commission. Funding in the amount of \$125,000 is from the Economic Incentive Fund and \$50,000 is from the Lodging Tax Fund. The ordinance is funded by fund balance reducing the flexibility to fund other projects. The current funding in the Economic Development Incentive Fund is \$1,110,120 and the balance in Lodging Tax Reserves is \$756,730.

**MINUTES
LOVELAND CITY COUNCIL
STUDY SESSION
TUESDAY, AUGUST 12, 2014
CITY COUNCIL CHAMBERS
500 EAST THIRD STREET
LOVELAND, COLORADO**

ROLL CALL

Councilors present: Gutierrez, Farley, Clark, Shaffer, Fogle, Trenary, and McKean. Councilors Krenning and Taylor were absent. City Manager, Bill Cahill was also present.

STUDY SESSION AGENDA

1. **ECONOMIC DEVELOPMENT** (presenters: Betsey Hale & Members of the Downtown Working Group; 60 min)

Economic Development Director, Betsey Hale introduced this item to Council. In January 2014, City Council directed staff to begin the process of assisting the private sector with the development of a downtown organization that is robust and durable. This organization could be a one-stop shop for all downtown related real estate projects, beautification, leadership and events. Downtown Working Group (DWG) Board members, Harry Devereaux and Dan Johnson gave an update on the steps taken for formation of a non-profit; the DWG strategic plan adoption; and progress made for a Downtown Development Authority (DDA) formation election in February 2015 and mill levy/tabor question in November 2015. Ms. Hale presented a budget request for a \$500,000 annual dedication of downtown sales tax for a period of 10 years. This is approximately 50% of the sales taxes collected by businesses located in the downtown geo area. These funds would be used for operations of a downtown organization, redevelopment projects and programs. Discussion ensued. Council consensus supported the group's efforts and staff was directed to move forward for further presentation at another study session in October.

Ms. Hale also addressed Council on the second part of the presentation with a draft list of potential projects and associated costs for the projects through the next 30 years. It was provided as the "Big Picture" to answer the question: What will it take? Discussion concerned how the DDA will take part in the realization of these projects. Council thanked the 24 community members and staff for their participation in the meetings and the excitement that is being generated by their efforts.

ADJOURNMENT

Having no further business to come before Council, the August 12, 2014 Study Session was adjourned at 8:45 p.m.

TITLE:

An Ordinance on Second Reading Enacting a Supplemental Budget and Appropriation to the 2014 City of Loveland Budget to Update Equipment at the Traffic Operations Center (TOC) in the City of Loveland

RECOMMENDED CITY COUNCIL ACTION:

Approve the ordinance on second reading.

OPTIONS:

1. Adopt the action as recommended
2. Deny the action
3. Adopt a modified action (specify in the motion)
4. Refer back to staff for further development and consideration
5. Adopt a motion continuing the item to a future Council meeting

SUMMARY:

This is an administrative action. The City has received a Federal grant, not to exceed \$205,000 of the \$247,615 total project cost, through the STP-Metro program to fund the upgrade of equipment at the existing TOC. This item consists of consideration of the second reading of an ordinance to appropriate the necessary funds for this project. The first reading of this ordinance was approved unanimously on first reading by Council at the August 19, 2014 regular meeting.

BUDGET IMPACT:

Positive
 Negative
 Neutral or negligible

The project is funded from federal funds, not to exceed \$205,000, and City of Loveland local match funds, \$42,615, for a total project cost of \$247,615. The City funds are included within the approved 2014 budget for Public Works Transportation Capital Improvement Projects.

BACKGROUND:

The work to be completed in the Loveland Traffic Operations Center (TOC) project includes the purchase of equipment such as a backup generator, computers, software, closed-circuit television (CCTV) switches and an additional operator station to upgrade the Loveland TOC. This equipment will enhance the TOC to facilitate information sharing with the public and the CDOT and improve safety through two-way communications of data and video on cotrip.org, which allows people to view live traffic and weather conditions. In addition, the purchase of a backup generator will ensure the TOC remains operational during inclement weather and in emergency situations.

This project is currently in preliminary planning stage with design to be completed by mid-2015. Construction is planned for the summer/fall of 2015 and is anticipated to take 3 to 4 months.

Funding Summary:

Local Over-Matching Funds**	<u>\$ 0</u>
Subtotal Local Funds	\$ 42,615
Total Project Funds:	<u>\$ 42,615</u> \$247,615

* Local Agency Match Funds are defined as funding required to be provided by a local entity as part of the Federal grant process. For STP-Metro Funding, the Local Agency Match is 17.21% of the Total Project Funds (not including Local Over-Matching Funds).

** Local Over-Matching Funds are defined as funding provided by a local entity above the required amount of Local Agency Match Funds in order to complete a project. FHWA requires that this amount be shown in the documents to identify all of the funding anticipated for a project, and Overmatch Funds are encouraged.

An ordinance is required to appropriate the funds as the award of this project occurred after the 2014 Budget was adopted.

SUMMARY:

This is an administrative action. The City has received a CDOT grant, not to exceed \$304,000 of the \$380,000 total project cost, through the Responsible Acceleration of Maintenance and Partnerships (RAMP) program to fund the expansion and upgrade of the roadway weather information system throughout the City of Loveland. This item is consideration of the second reading of an ordinance to appropriate the necessary funds for this project. The first reading of this ordinance was approved unanimously on first reading by Council at the August 19, 2014 regular meeting.

BUDGET IMPACT:

- Positive
- Negative
- Neutral or negligible

The project is funded from federal funds, not to exceed \$304,000, and City of Loveland local match funds, \$76,000, for a total project cost of \$380,000. The City funds are included within the approved 2014 budget for Public Works Transportation Capital Improvement Projects.

BACKGROUND:

The work generally consists of an update to existing Roadway Weather Information System (RWIS) in Loveland. This includes installing new sensors at existing field locations and installing three (3) completely new locations. The primary work will be on US 34, US 287 or SH 402, except at the City's existing Taft Ave/1st Street location. Work includes installing new roadway pavement sensors for the detection of the formation of ice at the existing locations at US 287/19th Street SE, US 34/Redwood, Taft/1st Street and installing a new sites that include the ice sensors plus standard roadway and atmospheric sensors at US 287/71st Street, US 34/I-25, and I-25/SH 402. This project is currently in preliminary planning stage with design to be completed by mid-2015. Construction is planned for the summer/fall of 2015 and is anticipated to take 3 to 4 months.

SUMMARY:

This is an administrative action. The City has received a CDOT grant, not to exceed \$200,000 of the \$250,000 total project cost, through the Responsible Acceleration of Maintenance and Partnerships (RAMP) program for the expansion and upgrade of the roadway weather information system throughout the City. This item consists of consideration of the second reading of an ordinance to appropriate the necessary funds for this project. The first reading of this ordinance was approved unanimously on first reading by Council at the August 19, 2014 regular meeting.

BUDGET IMPACT:

- Negative
- Neutral or negligible

The project is funded from federal funds, not to exceed \$200,000, and City of Loveland local match funds, \$50,000, for a total project cost of \$250,000. The City funds are included within the approved 2014 budget for Public Works Transportation Capital Improvement Projects.

BACKGROUND:

This project will include installation of an anti-icing spray system for the off ramps and roundabouts at I-25 / Crossroads Blvd interchange. This system automatically applies chemicals to treat the adjacent roadway to prevent formation of ice, including the latest in control systems for detection of the initial stages of ice formation and automatic application of chemical ice prevention material. The majority of the system's conduit was installed when the interchange was modified to include modern roundabout intersections in 2010, including equipping the retaining walls under the overpass for I-25 with conduit for future spray nozzle locations. A small amount of additional conduit will need to be extended, but the impacts to the travelling public should be minimal. The project is scheduled to go to bid in the Summer 2016 with construction in Fall 2016.

Subtotal Local Funds	\$ 50,000	<u>\$ 50,000</u>
Total Project Funds:		\$250,000

* Local Agency Match Funds are defined as funding required to be provided by a local entity as part of the State grant process. For RAMP projects, the minimum local match required is 20%.

** Local Over-Matching Funds are defined as funding provided by a local entity above the required amount of Local Agency Match Funds in order to complete a project. CDOT requires that this amount be shown in the documents to identify all of the funding anticipated for a project, and Overmatch Funds are encouraged.

An ordinance is required to appropriate the grant funds as the award of this project occurred after the 2014 Budget was adopted.

An Ordinance on Second Reading Vacating an Emergency Access Easement Across Lot 1, Block 1, Kness Addition, City of Loveland, County of Larimer, State of Colorado

RECOMMENDED CITY COUNCIL ACTION:

Adopt the ordinance on second reading, as presented.

OPTIONS:

1. Adopt the action as recommended
2. Deny the action
3. Adopt a modified action (specify in the motion)
4. Refer back to staff for further development and consideration
5. Adopt a motion continuing the item to a future Council meeting

SUMMARY:

This item is a legislative action to adopt an ordinance on second reading vacating a public emergency access easement on Lot 1, Block 1, Kness Addition to the City of Loveland. The applicant and owner of the property is Resurrection Fellowship Church. This ordinance was approved unanimously on first reading by Council at the August 19, 2014 regular meeting.

BUDGET IMPACT:

Positive
 Negative
 Neutral or negligible

BACKGROUND:

The property is located at the southeast corner of East Crossroads Boulevard and North Centerra Parkway. The easement assures clear access for emergency vehicles from both adjacent public streets and internal circulation around the building complex. The easement was originally dedicated in conjunction with a significant building expansion for the private school that is also operated on this campus by the church. A new building expansion is now proposed

by the church that would extend the main building somewhat northward, resulting in obstruction of a portion of the existing easement. A new emergency access easement will be dedicated which will provide the same access from adjacent streets, but with a revised alignment matching the revised circulation lane that will pass in front of the new building footprint. This easement dedication has been submitted to City staff and will be signed and recorded upon completion of the vacation process for the existing easement.

**AN ORDINANCE VACATING AN EMERGENCY ACCESS EASEMENT
ACROSS LOT 1, BLOCK 1, KNESS ADDITION, CITY OF LOVELAND,
COUNTY OF LARIMER, STATE OF COLORADO**

WHEREAS, the City Council, at a regularly scheduled meeting, considered the vacation of the emergency access easements described below (the “Easement”) and located across **Lot 1, Block 1, Kness Addition, City of Loveland, County of Larimer, State of Colorado** (the “Property”); and

WHEREAS, the City Council finds and determines that no land adjoining the Easement to be vacated is left without an established public or private easement connecting said land with another established public or private easement; and

WHEREAS, the City Council further finds and determines that the Easement to be vacated is no longer necessary for the public use and convenience; and

WHEREAS, the City Council further finds and determines that the application filed with the City’s Current Planning Division was signed by the owners of more than fifty percent of the property abutting the Easement to be vacated.

**NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE
CITY OF LOVELAND, COLORADO:**

Section 1. That the City Council hereby adopts and makes the findings set forth above.

Section 2. That based on the City Council’s findings set forth above, upon the recording of a new emergency access easement across the Property in a form acceptable to the City Manager, in consultation with the City Attorney, the following Easement shall be vacated:

All portions of the property known as Lot 1, Block 1, Kness Addition to the City of Loveland, as depicted in their specific locations and configurations on Exhibit A, attached hereto and incorporated herein, and located in the NW $\frac{1}{4}$ of Section 2, Township 5 North, Range 68 West of the 6th P.M. of the City of Loveland, County of Larimer, State of Colorado; said property also currently known as 6502, 6508, and 6512 East Crossroads Blvd, Loveland, Colorado.

A depiction of the above-described Easement vacation is attached hereto as Exhibit A and incorporated herein by reference.

An Ordinance on Second Reading Approving a First Amendment to the Conceptual Master Plan for the Waterfall Fourth Subdivision and the Waterfall Fifth Subdivision, City of Loveland, County of Larimer, State of Colorado, also Known as Boyd Lake Village

RECOMMENDED CITY COUNCIL ACTION:

Approve the ordinance on second reading, as presented.

OPTIONS:

1. Adopt the action as recommended
2. Deny the action
3. Adopt a modified action (specify in the motion)
4. Refer back to staff for further development and consideration
5. Adopt a motion continuing the item to a future Council meeting

SUMMARY:

This item is a quasi-judicial action to consider amending the Boyd Lake Village Conceptual Master Plan (the “Master Plan”). The applicant is McWhinney Inc. Currently, the Master Plan designates specific primary and non-primary land uses for each lot so that at build out the project satisfies the zoning requirement that 60% of the land area is developed into primary jobs. There are seven vacant lots remaining in the 32-acre development located on the north side of East Eisenhower Boulevard, south of Boyd Lake. The removal of the specific designations will provide the applicant greater flexibility in locating primary and non-primary jobs on the remaining vacant lots within the development. Development standards contained in the Master Plan will ensure that the mix of primary and non-primary jobs remain in compliance with the zone district requirements. The amendment would not change the designations of existing uses or alter the design standards approved for the development. This ordinance was approved unanimously on first reading by Council at the August 19, 2014 regular meeting.

BUDGET IMPACT:

Neutral or negligible

BACKGROUND:

There are no key issues identified by staff with the amendment request. The item was heard by the Planning Commission on July 28, 2014 as an item on the consent agenda. There were no members of the public who spoke at the hearing and the item remained on the consent agenda. The Planning Commission unanimously recommended approval of the amendment.

ORDINANCE NO. _____

AN ORDINANCE APPROVING A FIRST AMENDMENT TO THE CONCEPTUAL MASTER PLAN FOR THE WATERFALL FOURTH SUBDIVISION AND THE WATERFALL FIFTH SUBDIVISION, CITY OF LOVELAND, COUNTY OF LARIMER, STATE OF COLORADO, ALSO KNOWN AS BOYD LAKE VILLAGE

WHEREAS, the Waterfall Fourth Subdivision and the Waterfall Fifth Subdivision, City of Loveland, County of Larimer, State of Colorado, also known as Boyd Lake Village (“Boyd Lake Village”) are zoned E – Employment Center District and are subject to the requirements of Chapter 18.30 of the Loveland Municipal Code (the “Code”); and

WHEREAS, in accordance with Section 18.30.050.B. of the Code, Boyd Lake Village is subject to a conceptual master plan prepared by BHA Design, Inc. and dated March 13, 2007, as revised July 2, 2007 (“Conceptual Master Plan”); and

WHEREAS, as required by Section 18.30.050.B. of the Code, the Conceptual Master Plan depicts an allocation of land uses in a manner that demonstrates compliance with Section 18.30.040.A., which requires that not more than forty percent (40%) of the land area within a development plan for property zoned E – Employment Center District shall be dedicated to “non-primary workplace uses”; and

WHEREAS, MLB 34, LLC (the “Owner”), as owner of all of the undeveloped real property within Boyd Lake Village (the “Property”), desires to amend the Conceptual Master Plan to remove the designations of “non-primary workplace uses” and “primary workplace uses” to specific lots in order to allow greater flexibility in locating primary and non-primary workplace uses within Boyd Lake Village as set forth in the “First Amendment Conceptual Master Plan” prepared by BHA Design, Inc. and dated May 7, 2014 (the “First Amendment to the Conceptual Master Plan”); and

WHEREAS, the First Amendment to the Conceptual Master Plan does not alter the requirement that not more than forty percent (40%) of the land area within a development plan for property zoned E – Employment Center District shall be dedicated to “non-primary workplace uses”; and

WHEREAS, on July 28, 2014, the Loveland Planning Commission held a public hearing to consider the proposed amendment and adopted a motion to make the findings listed in Section VIII of the Planning Commission Staff Report dated July 28, 2014 and, based on those findings, to recommend to Council that the First Amendment to the Conceptual Master Plan be approved.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LOVELAND, COLORADO:

Section 1. That Council has held a public hearing and received evidence and testimony and hereby makes the following findings with regard to the Owner's request to amend the Conceptual Master Plan to remove the designations of "non-primary workplace uses" and "primary workplace uses" to specific lots as set forth in the First Amendment to the Conceptual Master Plan:

Finding 1. That development of the Property pursuant to any of the uses permitted by right under the zoning district, and as proposed in the First Amendment to the Conceptual Master Plan, would result in development that is consistent with relevant policies contained in Section 4.0 of the 2005 City of Loveland Comprehensive Master Plan, as amended.

Finding 2. That development of the Property pursuant to the First Amendment to the Conceptual Master Plan would be consistent with the purposes set forth in Section 18.04.010 of the Loveland Municipal Code, which purposes include, to: lessen congestion on the streets; secure from fire and panic; promote the health and general welfare; prevent the overcrowding of land; avoid undue concentration of population; facilitate adequate provision of transportation, water, sewage, schools, parks, and other public requirements; conserve the value of buildings; and encourage the most appropriate use of land.

Finding 3. That development of the Property pursuant to any of the uses permitted by right under the zoning district, and as proposed in the First Amendment to the Conceptual Master Plan, would be consistent with the E – Employment Center District as set forth in Title 18 of the Loveland Municipal Code.

Finding 4. That development of the Property pursuant to any of the uses permitted by right under the zoning district, and as proposed in the First Amendment to the Conceptual Master Plan, would result in development that is compatible with existing land uses adjacent to and in close proximity to the Property to be affected by development of it.

Finding 5. That development of the Property pursuant to any of the uses permitted by right under the zoning district, and as proposed in the First Amendment to the Conceptual Master Plan, would result in impacts on City infrastructure and services that are consistent with current infrastructure and services master plans.

Finding 6. That development of the Property pursuant to any of the uses permitted by right under the zoning district, and as proposed in the First Amendment to the Conceptual Master Plan, would result in development that would not be detrimental to the health, safety, or welfare of the neighborhood or general public.

Section 2. That the “First Amendment Conceptual Master Plan” prepared by BHA Design, Inc. and dated May 7, 2014, a copy of which is on file with the City’s Current Planning Division, is hereby approved.

Section 3. That as provided in City Charter Section 4-9(a)(7), this Ordinance shall be published by title only by the City Clerk after adoption on second reading, unless the Ordinance has been amended since first reading, in which case the Ordinance shall be published in full or the amendments shall be published in full. This Ordinance shall be in full force and effect ten days after its final publication, as provided in City Charter Section 4-8(b).

Section 4. That the City Clerk is hereby directed to record this Ordinance with the Larimer County Clerk and Recorder after its effective date in accordance with state statutes.

An Ordinance on Second Reading Approving a First Amendment to the Conceptual Master Plan and a First Amendment to the Annexation and Development Agreement for the Loveland Eisenhower First Subdivision, City of Loveland, County of Larimer, State of Colorado

RECOMMENDED CITY COUNCIL ACTION:

Adopt the ordinance on second reading, as presented.

OPTIONS:

1. Adopt the actions as recommended
2. Deny the actions
3. Adopt modified actions (specify in the motion)
4. Refer back to staff for further development and consideration
5. Adopt a motion continuing the item to a future Council meeting

SUMMARY:

This is a legislative action to amend the annexation and development agreement and a quasi-judicial action to amend the Concept Master Plan for the Loveland Eisenhower 1st Subdivision. The amendments would allow development of 240-368 apartment units in the northeasterly portion of the site as an additional non-primary workplace use under the MAC zoning. With the proposed amendments, the original requirement set forth in the Conceptual Master Plan for a minimum of 23.9 acres of land area and 300,000 square feet of floor area to be developed for primary jobs would still be met. The applicant is Greg Parker representing Loveland Eisenhower Investments, Inc. This ordinance was approved unanimously on first reading by Council at the August 19, 2014 regular meeting.

BUDGET IMPACT:

Positive
 Negative
 Neutral or negligible

BACKGROUND:

The property is located at the northeast corner of East Eisenhower Boulevard and North Denver Avenue, lying between North Denver Avenue and the northerly extension of Sculptor Drive, consisting of approximately 58.8 acres. In 2010, the property was zoned MAC – Mixed Use Activity Center and incorporated into a consolidated development plan by approval of a Conceptual Master Plan. The existing Conceptual Master Plan allows development of various commercial, office, light industrial and retail uses to implement the policies for the E-Employment land use category. However, the Concept Master Plan does not include provisions for developing residential uses.

The developer proposes to amend the Conceptual Master Plan to allow 240-368 multi-family dwelling units in the northeasterly portion of the site as a non-primary workplace use. The amendments would also add appropriate development standards for the multi-family development. With the addition of the multi-family development the commitment to develop a minimum 23.9 acres of land area and 300,000 sq. ft. of floor area for primary workplace uses would remain a requirement of the Conceptual Master Plan.

City Council held a public hearing on August 19, 2014 and approved the ordinance on first reading by a unanimous vote. Adoption of the ordinance automatically approves the amended annexation and development agreement as well as the amended Conceptual Master Plan.

WHEREAS, on April 20, 2010, the Loveland City Council (“Council”) adopted Ordinance No. 5495 approving the annexation of certain real property known as the Loveland Eisenhower Addition; and

WHEREAS, the Loveland Eisenhower Addition, the Allendale Fifth Subdivision to the City of Loveland, and a portion of Tract B of the Loveland Business Plaza First Addition were subsequently replatted as the Loveland Eisenhower First Subdivision, which plat was recorded with the Larimer County Clerk and Recorder on August 16, 2011 under Reception No. 20110049411; and

WHEREAS, the Loveland Eisenhower First Subdivision is zoned MAC – Mixed-Use Activity Center District and is subject to the requirements of Chapter 18.29 of the Loveland Municipal Code (the “Code”); and

WHEREAS, the Loveland Eisenhower First Subdivision is subject to an “Annexation and Development Agreement between Loveland Eisenhower Investments, LLC and the City of Loveland” dated April 20, 2010, which was approved by Council under Ordinance No. 5495 and recorded with the Larimer County Clerk and Recorder on May 28, 2010 under Reception No. 20100029958 (the “Annexation and Development Agreement”); and

WHEREAS, Section 2.2.14 of the Annexation and Development Agreement requires that all development occurring with the Loveland Eisenhower First Subdivision be subject to and consistent with a conceptual master plan prepared by Civitas and dated July 2009 (the “Conceptual Master Plan”); and

WHEREAS, as required by Section 18.29.050.B. of the Code, the Conceptual Master Plan specifies the general type, intensity, and location of land uses; and

WHEREAS, while multi-family uses are a use permitted by right under the MAC – Mixed-Use Activity Center District pursuant to 18.29.020 of the Code, the Conceptual Master Plan does not include multi-family residential uses within the contemplated “non-primary workplace uses”; and

WHEREAS, Loveland Eisenhower Investments, LLC (the “Owner”), as owner of all of the real property within the Loveland Eisenhower First Subdivision (the “Property”), desires to amend the Conceptual Master Plan to include multi-family residential uses within the contemplated “non-primary workplace uses” as set forth in the “Loveland Eisenhower Addition MAC Concept Master Plan Amendment # 1” prepared by MIG and dated April 2014 (the “First Amendment to the Conceptual Master Plan”); and

WHEREAS, on June 23, 2014, the Loveland Planning Commission held a public hearing to consider the proposed amendment and adopted a motion to make the findings listed in Section VIII of the Planning Commission Staff Report dated June 23, 2014 and, based on those findings, to recommend to Council that the First Amendment to the Conceptual Master Plan be approved; and

WHEREAS, amending the Conceptual Master Plan requires that the Annexation and Development Agreement also be amended to reflect adoption of the First Amendment to the Conceptual Master Plan, reference multi-family uses within the contemplated “non-primary workplace uses,” and confirm that the amendment is consistent with the City’s Comprehensive Master Plan.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF LOVELAND, COLORADO:

Section 1. That Council has held a public hearing and received evidence and testimony and hereby makes the following findings with regard to the Owner’s request to amend the Conceptual Master Plan to include multi-family residential uses within the contemplated “non-primary workplace uses” as set forth in the First Amendment to the Conceptual Master Plan:

Finding 1. That development of the Property pursuant to any of the uses permitted by right under the zoning district, and as proposed in the First Amendment to the Conceptual Master Plan, would result in development that is consistent with relevant policies contained in Section 4.0 of the 2005 City of Loveland Comprehensive Master Plan, as amended.

Finding 2. That development of the Property pursuant to the First Amendment to the Conceptual Master Plan would be consistent with the purposes set forth in Section 18.04.010 of the Loveland Municipal Code, which purposes include, to: lessen congestion on the streets; secure from fire and panic; promote the health and general welfare; prevent the overcrowding of land; avoid undue concentration of population; facilitate adequate provision of transportation, water, sewage, schools, parks, and other public requirements; conserve the value of buildings; and encourage the most appropriate use of land.

Finding 3. That development of the Property pursuant to any of the uses permitted by right under the zoning district, and as proposed in the First Amendment to the Conceptual Master Plan, would be consistent with the MAC – Mixed-Use Activity Center District as set forth in Title 18 of the Loveland Municipal Code, and the E –

Employment Center District as contemplated by the City's Comprehensive Master Plan designation.

Finding 4. That development of the Property pursuant to any of the uses permitted by right under the zoning district, and as proposed in the First Amendment to the Conceptual Master Plan, would result in development that is compatible with existing land uses adjacent to and in close proximity to the Property to be affected by development of it.

Finding 5. That development of the Property pursuant to any of the uses permitted by right under the zoning district, and as proposed in the First Amendment to the Conceptual Master Plan, would result in impacts on City infrastructure and services that are consistent with current infrastructure and services master plans.

Finding 6. That development of the Property pursuant to any of the uses permitted by right under the zoning district, and as proposed in the First Amendment to the Conceptual Master Plan, would result in development that would not be detrimental to the health, safety, or welfare of the neighborhood or general public.

Section 2. That the "Loveland Eisenhower Addition MAC Concept Master Plan Amendment # 1," a copy of which is on file with the City's Current Planning Division, is hereby approved.

Section 3. That the "First Amendment to Annexation and Development Agreement" ("First Amendment") for the Loveland Eisenhower First Subdivision, a copy of which is attached hereto as Exhibit A and incorporated herein by reference, is hereby approved.

Section 4. That the City Manager is authorized, following consultation with the City Attorney, to approve changes to the form of the First Amendment provided that such changes do not impair the intended purpose of the First Amendment as approved by this Ordinance. The City Manager and the City Clerk are hereby authorized and directed to execute the First Amendment on behalf of the City of Loveland.

Section 5. That as provided in City Charter Section 4-9(a)(7), this Ordinance shall be published by title only by the City Clerk after adoption on second reading, unless the Ordinance has been amended since first reading, in which case the Ordinance shall be published in full or the amendments shall be published in full. Notes:

1. Site areas presented represent a compilation of individual land use designations that are merged and re-distributed throughout the site in the concept Plan.
2. Open space excludes the Highway 34 corridor setback area on the Eastern Parcel pursuant to Section 18.30.040 of the Loveland Municipal Code. Highway 34 Corridor setbacks are included in open space calculations on the Western Parcel as allowed in Section 18.29 of the Loveland Municipal Code.
3. Open space excludes landscaped islands within parking lots.
4. Primary and Non-Primary Workplace Use areas will incorporate a minimum of 9.7 acres of open space throughout the Project site.

5. Exhibit B. Exhibit B of the Agreement is hereby deleted and replaced in its entirety with the attached **Exhibit B**, incorporated herein by reference.

6. Ratification. In the event of a conflict between this Amendment and the Agreement, the terms of this Amendment shall govern. Except as expressly amended by this Amendment, the Agreement is ratified in all respects.

IN WITNESS WHEREOF, the Owner and the City have executed this Amendment as of the date first written above.

A Resolution Amending the Scheduled Meeting Location for the Youth Advisory Commission

RECOMMENDED CITY COUNCIL ACTION:

Approve the resolution.

OPTIONS:

1. Adopt the action as recommended
2. Deny the action

SUMMARY:

This is an administrative action amending the scheduled meeting location for the Youth Advisory Commission.

BUDGET IMPACT:

Positive
 Negative
 Neutral or negligible

BACKGROUND:

Beth Gudmestad from the Library took over as staff liaison to the Youth Advisory Commission as of June, 2014. Due to this change, the Youth Advisory Commission has moved their meeting location to the Library to better accommodate the new staff Liaison. Meetings will still take place the first Wednesday of the month from September through May (school year).

July 2014 Financial Report

RECOMMENDED CITY COUNCIL ACTION:
This is an information only item. No action is required.

SUMMARY:
The Snapshot Report includes the City's preliminary revenue and expenditures including detailed reports on tax revenue and health claims year to date, ending July 31, 2014.

BACKGROUND:
The Snapshot Report is submitted for Council review and includes the reporting of the City's revenue and expenditures, including detailed reports on tax revenue and health claims as of July 31, 2014. Citywide Revenue (excluding internal transfers) of \$146,776,722 is 102.8% of year to date (YTD) budget or \$3,974,058 over the budget. Sales Tax collections are 102.2% of the YTD budget or \$488,266 over budget. Building Material Use Tax is 117.4% of YTD budget, or \$186,031 over budget. Sales and Use Tax collections combined were 104.5% of YTD budget or \$1,114,873 over budget. When the combined sales and use tax for the current year are compared to 2013 for the same period last year, they are higher by 6.5% or \$2,152,761.

Citywide total expenditures of \$144,439,395 (excluding internal transfers) are 77.9% of the YTD budget or \$40,958,529 under the budget.

City of Loveland

2013 Flood:

The 2013 Flood resulted in some businesses being closed during the clean-up/restoration process. In addition, reduced traffic on U.S. 34 due to the closure at the canyon may have reduced sales in businesses along the 34 Corridor. Tracking the impact of the flood on retail sales will provide important information related to the sustainability of City finances due to the flood event. Pre-flood to post flood tracking on a monthly basis began in the September 2013 Snapshot. Sales tax revenue for the ten months included is above the previous year by \$2.2 million or 6.5%.

Financial Sustainability

The City remains in a strong financial position because of a tradition of conservative fiscal management. To uphold this tradition, the City ensures that operations are paid for by current-year revenues, fund balances are positive and reserves are sufficient to overcome financial challenges, and debt is considered extraordinary and avoided in favor of a pay-as-we-go system. This sound fiscal policy allows the City to achieve Council goals and priorities and to meet challenges as they arise.

In 2011, the City embarked upon a community-wide financial sustainability effort to ensure that shortfalls projected in its General Fund 10-year financial plan were addressed using a balanced plan consisting of 81% expenditure cuts and 19% revenue increases. The Financial Sustainability Strategy, adopted by the City Council on June 7, 2011, includes ongoing processes designed to ensure that the City retains a healthy financial outlook.

TITLE:
Investment Report for July 2014

RECOMMENDED CITY COUNCIL ACTION:
This is an information only item.

SUMMARY:
The 2014 budget projection for investment earnings for 2014 is \$2,025,920 which equates to an annual interest rate of 0.94%. For June, the amount posted to the investment account is \$236,959. For the year-to-date, the amount posted is \$1,219,900. Actual earnings are now above the year-to-date budget projection by \$7,919. Based on the monthly statement, the estimated annualized yield in July on the securities held by US Bank was 0.98%, 0.01% lower than June. Due to the demands for draws from the fund balances to pay for the cost of flood response and project repair and slow reimbursement, the portfolio has a significantly lower fund balance than it would otherwise.

BACKGROUND:
At the end of July the City's portfolio had an estimated market value of \$212.1 million, about \$1 million less than a month ago. Of this amount, US Bank held (including accrued interest) \$187.5 million in trust accounts; other funds are held in local government investment pools, in operating accounts at First National Bank, and a few miscellaneous accounts. Interest rates trended to all-time record lows in 2012 – 2013 before rising in the second half of last year. Short-term rates are projected to rise but still remain historically low through 2014 and into 2015. Investments are in US Treasury Notes, high-rated US Agency Bonds, highly-rated corporate bonds, money market accounts, and local government investment pools. The City's investment strategy emphasizes safety of principal, then sufficient liquidity to meet cash needs, and finally, return on investment. Each percent of earnings on the portfolio equates to about \$2.1 million annually.

Labor Data	7-8

The U.S. housing recovery gained traction in July as sales of existing homes rose to their highest level in 10 months

"Sales of existing homes increased 2.4% from June to a seasonally adjusted rate of 5.15 million... July sales were down 4.3% from a year earlier, when sales peaked for 2013 before a jump in mortgage rates threw the housing recovery off track. July was the fourth consecutive month sales rose from the prior month."

Treasury rate trends / Housing recovery update

Interest rates on U.S. Treasuries **rose** steeply at the end of July. The 2-year was up 6 basis points, the 3-year was up 14, and the 5-year treasury also rose by 14 basis points.

When rates rise, the price of securities held in the portfolio decreases, usually resulting in a larger unrealized loss at month end.

"Not only were sales last month at their highest level since last September, but fewer transactions came from short sales of underwater homes and foreclosures. Distressed sales accounted for 9% of all sales in July, the lowest level since the trade group's tally began in October 2008 at the peak of the financial crisis."

"The inventory of existing homes available for sale in July was up 5.8% from a year earlier to 2.37 million, its highest level in nearly two years. . . the housing market has grown more balanced between buyers and sellers. At the current pace of sales, it would take 5½ months to exhaust the supply of homes for sale, up from 5 months

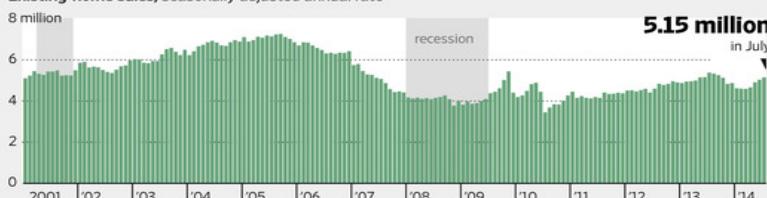

last year. . . The U.S. housing market has started to heal in recent years. But sales tumbled last summer as the Federal Reserve prepared to begin winding down its bond-buying stimulus program and mortgage rates jumped from historically low levels."

Residential Recovery

While still slower than last year, existing-home sales continued to climb in July.

Existing-home sales, seasonally adjusted annual rate

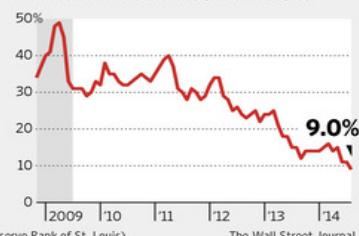

And inventories rose even as the share of distressed sales fell, a sign that more traditional owners may be testing the market.

Future Scan: Change of tone based on improving economic data

- ❖ *On August 22, the Federal Reserve held its annual symposium in Jackson Hole, Wyoming.*
 - “Conditions in labor markets have outperformed Fed forecasts—and that if this continues the Fed funds target rate could rise earlier and more rapidly than expected. . . The background message was the same—monetary policy isn’t on a preset course and will change based on economic conditions. But the policy implications of this centered around the possibility of a labor “shortfall” necessitating a continuation of ultralow interest rates.”
 - “Additionally, Ms. Yellen noted that the labor market may not have as much slack as stagnant wages might seem to indicate. The inability of some employers to push down wages during the economic slump may have resulted in “pent-up wage deflation” that could hold worker pay down even as the labor market tightens.”
 - “This shouldn’t be interpreted as a declaration that rates will rise sooner than expected. The Fed’s expectations about labor markets, inflation and policy haven’t shifted. Rather, the change is toward a more balanced discussion of possible deviations from Fed forecasts.”
 - “Even if the Fed chairwoman isn’t necessarily ready to change her thinking on labor-market slack, she is signaling that it is open to change. And that could cause the Fed to move more quickly, or forcibly, than many investors realize.” (Source: *Fed’s Yellen Hawks a Foggier Rate Future*, John Carney in **THE WALL STREET JOURNAL** online August 22, 2014)
- ❖ **Morgan Stanley Fixed Income Strategy – “Don’t Look Back”**
 - “Economic activity did snap back from the weak first quarter showing, with Q2 real GDP rising by 4.0%. Morgan Stanley & Co. (MS & Co.) economists look for growth to be more consistent in the second half of the year, starting with their Q3 tracking estimate of +2.2%, or more in line with the trend. Labor market activity continues to improve, but wage pressures are seemingly non-existent.”
 - “Flight-to-quality issues gave Treasuries a boost through the second half of July. The broader market’s reaction to the July jobs report underscores how the ‘bar has been raised’ on upcoming economic data to push yields higher.”
 - “The Fed has become more data dependent as employment and inflation numbers have come closer to their dual mandate. The lack of wage growth should play a key role in the decision-making process going forward, and without improvement, ‘lift-off’ may have to wait. We do not expect the Fed to raise rates until 2H15.”

(Source: Morgan Stanley **Basis Points** Fixed Income Strategy, Kevin Flanagan & Jon Mackay, August 5, 2014.)
- ❖ **The Colorado Employment Situation July 2014** was released August 18. Colorado added 5,500 nonfarm jobs since June. The Labor Force increased by 3,500. The latest data show Loveland’s unemployment rate to be 4.8%, the same as June. Across the state, the unemployment rate was stable to slightly lower. The chart with comparable cities and counties is on the next page.

(Source: Colorado Department of Labor and Employment **Colorado Employment Situation 2014**, August 18, 2014.)
- ❖ **Recession Outlook:** Four indicators (Industrial Production, Nonfarm Employment, Real Personal Income, and Real Retail Sales) are the basis for determining a recession. Based on July data, Industrial Production rose 0.44%; Real Retail Sales **fell by 0.05%**; and, Employment continued on its bland 0.15% growth trend. Real Income was up 0.21% in June. “The overall picture of the US economy had been one of a ploddingly slow recovery from the Great Recession with a clearly documented contraction during the winter, as reflected in Q1 GDP. Data for Q2 supported the consensus view that severe winter weather was responsible—that it was not the beginnings of a business cycle decline. Early Spring appeared to support the general view that severe winter weather was responsible for the contraction – that it was **not** the beginning of a business cycle decline. However the indicators suggest the economy is near stall speed.” (Source: *Advisor Perspectives*, Doug Short, August 19, 2014.)

Current “missing worker” estimates at a glance

Updated August 21, 2014, based on most current data available

Total missing workers, July 2014:	Unemployment rate if missing workers were looking for work:	Official unemployment rate: 6.2% <small>seasonally adjusted rate</small>
5,860,000	9.6%	

In today’s labor market, the unemployment rate drastically understates the weakness of job opportunities. This is due to the existence of a large pool of “**missing workers**” – potential workers who, because of weak job opportunities, are neither employed nor actively seeking a job. In other words, these are people who would be either working or looking for work if job opportunities were significantly stronger. Because jobless workers are only counted as unemployed if they are actively seeking work, these “missing workers” are not reflected in the unemployment rate. See website below for more information. When persons marginally attached to the labor force and those plus total employed part time for economic reasons are added to the official unemployment rate (the 6.3% above right), the rate rises to **12.2% (the U-6 number)**.

LARIMER HUMANE SOCIETY

Animal Service for Larimer
County Since 1969

YesNewShelter.com

An Inadequate Building

- Cracking Foundation
- Asbestos
- Flat Roof
- HVAC and Plumbing Limitations
- Crumbling kennel materials
- Far too small
- One narrow, windowless hallway
- Inefficient lease for office space
- Constant maintenance and repair costs

A Growing County

Growing Population: 330% increase since 1974

Growing Expectations:

- Compassionate human services
- Modern cat housing
- Enriched kennels
- Disease control that protects owned animals
- Disaster services
- Professional handling of community diseases and dangerous animals
- Enforcement of animal ordinances
- Veterinary services for homeless animals
- Decreased euthanasia

Critical Services in Critical Times

High Park Fire by the Numbers

Graphic by: Perfect Square

A Plan to Catch Up

- 27 acres on County Road 30 north of airport
- Animal shelter
- Multipurpose facility allowing for increased service revenue
- Dog Park
- Outdoor dog runs and exercise space
- 38,802 Square foot building + exterior yards

An Initiative to Share Costs

- 0.1% Sales Tax Increase
- 13 million + Financing
- Sunsets 6 year or sooner
- Standard Larimer sales tax exemptions, like gas and groceries
- An opportunity to share costs without burdening jurisdictions
- Private-Public Partnership
- Agreement with Larimer County

A future that meets Larimer County's needs

- Current services can't be continued in the existing shelter
- Passage of this initiative would be a win-win:
 - End users share the cost
 - Experts in animal services provide animal services
 - Government does not have to take over animal services
 - Jurisdictions do not have to directly fund the shelter
 - Community expectations are met
 - Streets and trails are free of roaming and dangerous animals
 - Rabies is controlled

LARIMER HUMANE SOCIETY

CITIZENS' BALLOT INITIATIVE KEY FACTS

For more information: YesNewShelter.com

➤ *The Problem*

- Larimer County's population has grown more than 330% since the shelter was built in 1974. Today, Larimer Humane Society places more than double the animals it did then.
- Due to limitations in the plumbing and HVAC systems disease control is very challenging. Asbestos, foundation instability, and property size make renovation impossible
- Kennel construction and size make creating an enriching environment difficult, which is critical for animals that need to heal from injuries and mistreatment
- The building requires significant maintenance costs and impedes Larimer Humane Society's ability to provide public health and animal care services in the three major jurisdictions: Loveland, Fort Collins and Unincorporated Larimer County

➤ *The Initiative*

- The initiative would increase sales tax on certain purchases by .1%, excluding gas and groceries, and would last for a maximum of six years
- The tax will collect a total of \$13 million plus financing costs and will sunset once the funds are collected
- The increase would cost one cent for every \$10 spent on applicable purchases. For the average household, that's \$2.67 per month
- The total project cost is \$16.5 million. This includes nearly \$1.5 million for the property which Larimer Humane Society has already paid in full; \$2 million which will be raised through private donations; and \$13 million through the tax
- This funding structure allows the cost of the shelter to be spread evenly among the citizens of the three major jurisdictions Larimer Humane Society serves

➤ *New Facility:*

- The new building is designed for efficiency and will meet state regulations and industry best practices
- The building design accounts for special considerations specific to animal shelters such as: HVAC for each animal holding room; building materials that can withstand a great deal of wear; and special plumbing considerations to maximize disease control
- The new shelter will be located on land already owned by Larimer Humane Society on County Road 30 just north of the Fort Collins/Loveland airport.

➤ *What Next:*

- If the community votes favorably for this initiative, the project will take 20-24 months to completion, thus the projected opening date would be winter 2016.
- If the issue is lost Larimer Humane Society will need to make funding requests proportional to services for each major jurisdiction served

Giving Love a Second Chance - At the Heart of Everything We Do

A LETTER FROM THE BOARD CHAIR AND EXECUTIVE DIRECTOR

Photos by Heidi Muller

Another year, another leap in progress toward our goals. Thanks to your support last year, we saw second chances happening in every corner of our organization. Larimer Humane Society has taken bold steps toward a new facility to better serve the animals and people in our community. We've strengthened our behavior and enrichment efforts and transferred more animals to our facility than ever before to support our placement partners.

Let's take a look at all the ways we've made progress toward our strategic goals this year:

Goal #1: The placement of all healthy and treatable cats and dogs by 2020.

Last year, Larimer Humane Society admitted 19% fewer animals than the previous year, and had a live release rate of 87%. With fewer animals coming through our doors, we were able to focus on behavioral work with our more challenging animals and utilize foster care and enrichment to help more animals become adoptable.

Goal #2: To become an employer of choice within the animal welfare community in the Mountain State region.

We know that it is through capable, passionate staff that we are able to provide second chances to animals. Last year, we implemented processes to better equip our staff with the training and knowledge they need to be successful. We formalized and implemented a New Employee Orientation (NEO) program and began piloting cross training so new staff can learn about departments across the organization. We once again utilized the Shelter Diagnostic Survey to gain employee feedback and assist with identifying organizational improvement opportunities. We're proud of the strategic efforts made last year to continue to recruit and retain talented employees.

Goal #3: Establishment of a viable funding framework that provides for the growth of Larimer Humane Society programs and services.

Last fiscal year, the generosity of our donors was truly overwhelming. Our key events, Top Cat & Tails and Fire Hydrant 5 brought in record participants and donations. Through participation in Colorado Gives Day, we raised nearly \$14,000 in one day, an increase of 86% over last year. Our donors have shown us how strong their commitment is and we are excited about the second chances yet to come thanks to their support.

Goal #4: Promote a collaborative effort with other concerned entities in Larimer County focusing on responsible pet ownership and increasing live release rates.

With our intake numbers declining last year, we transferred in more animals than ever before from our 110-member placement partner network. These partnerships reduce pet overpopulation by transferring animals to communities where there is a shortage of adoptable animals, giving them a second chance through adoption. Beyond animal transfers, we partnered with local agencies to host a free rabies vaccination day to protect our pets.

Goal #5: Design, fund and construct a new, state-of-the-art facility for Larimer Humane Society.

In early 2013, Larimer Humane Society began strategic outreach in the community to inform citizens of our need for a new shelter. Thousands of residents signed our petition supporting a sales tax increase to fund a new facility, showing they support Larimer Humane Society and agree that our shelter is inadequate. Unfortunately, we did not have enough signatures to move forward and as this report goes to print, our board of directors is looking at all of the funding options. However, we know that by educating our community about our need for a new shelter, we're moving one step closer toward building a facility worthy of our two- and four-legged community members.

Goal #6: Recruit new Larimer Humane Society Board members and promote increased training for new and existing Board members.

Last fiscal year, four new members joined our Board of Directors, bringing tremendous talent and energy to the group. The board joined staff management for a day-long retreat to focus on clarifying the organization's long-term objectives for goals #3, #4 and #6.

Thank you to all our supporters, especially those whose names appear in this report. You truly make second chances possible at Larimer Humane Society.

Sincerely,

Judith A. Calhoun, CFRE, CAWA

"Adopting from Larimer Humane Society has been one of the most rewarding things we've done."

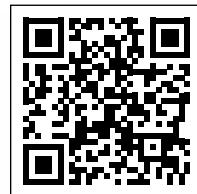

Eric and Jenny Torgerson with Oslo, adopted April 2010.

Every day, more than 15 homeless, abused, neglected, unwanted, or abandoned animals enter our care. Regardless of what brought them to us, these animals are hopeful for a new beginning. We provide a lifesaving second chance through our adoptions program and our strong relationships with placement partners. Larimer Humane Society is part of a multi-state network of animal welfare agencies seeking the best possible outcome for every animal.

Thanks to you, in fiscal year 2013 Larimer Humane Society:

- Placed more than 2,800 furry, feathered and scaly critters into loving homes.
- Partnered with 110 other shelters, humane societies and breed-specific rescue groups to give these pets a second chance at love.

A Second Chance to Return Home

LOST AND FOUND

When an animal becomes lost or stray, we provide a safe haven while we search for their families or find them new homes. In several different cases last year, animals came to us that had been missing for days, months, and even years. We were honored to reunite families who had long ago given up hope.

Thanks to you, in fiscal year 2013
Larimer Humane Society:

- Welcomed 6,325 animals into our shelter, more than 15 animals per day or two every hour.
- Reunited 1,897 families by returning lost pets to their owners. In fact, one in every three animals that came to us was returned back to their owners.
- Celebrated a live release rate of 87%.*

VETERINARY SERVICES

Shelter animals experience significant stress. Loud noises, different smells and the always-changing shelter environment can make pets more susceptible to illness. Our skilled veterinary staff works to prevent disease and keep our shelter population healthy. Each animal is vaccinated and more than 10 animals receive spay/neuter surgery daily to help prevent animal overpopulation.

Thanks to you, in fiscal year 2013 Larimer Humane Society:

- Performed 1,299 spay/neuter surgeries.
- Completed 211 dental procedures on shelter animals, an increase of more than 100% over 2012.
- Partnered with Colorado State University's Veterinary Teaching Hospital to provide opportunities for fourth-year veterinary students to perform 192 spay/neuter surgeries on shelter animals, increasing our organization's capacity and providing hands-on learning to students.
- Saved more lives through partnership with Colorado State University's Saving Animals in Shelters through Teaching (SAST) program, which provided 14 additional specialized surgeries to shelter animals.

WILDKIND

Our WildKind department faced significant challenges and changes in fiscal year 2013. Terrestrial rabies continued to spread in Colorado with Larimer County leading the state in positive cases. Another impact to wildlife in the past year has been the high outbreak of distemper in raccoons which can be spread to other wild animals and unvaccinated pets. Larimer Humane Society continues to monitor these situations with the safety of our community members - and their pets - remaining our primary concern.

The new calendar year brought changes to our wildlife rehabilitation program with the loss of our licensed rehabilitation staff. Due to this change, we are no longer able to rehabilitate wildlife. However, we remain responsive to our community needs by educating the public about humane solutions to wildlife issues and providing information about wildlife rehabilitation centers in Northern Colorado.

Laura Woeber with Zoey and Jayson holding Bruce Wayne aka Batman, adopted July 2012.

A Second Chance to Trust

BEHAVIOR & ENRICHMENT

As our annual admissions have been steadily declining, our Behavior & Enrichment department has more time to work with challenging shelter pets. Our staff, shelter volunteers and foster volunteers provided extra behavioral training, more socialization with animals and people, and additional time working with animals one-on-one in the shelter to prepare them for that second chance at a new life.

Thanks to you, in fiscal year 2013 Larimer Humane Society:

- Enhanced behavior modification training to include fearful dogs.
- Continued utilizing dog play groups to provide much-needed exercise and socialization to shelter canines.
- Trained more volunteers to help with cat enrichment to patiently provide socialization for cats needing extra time to adjust to the shelter environment.

A Second Chance to Heal

VOLUNTEER & FOSTER PROGRAMS

Larimer Humane Society volunteers save lives. Whether it's through fostering an underage kitten until it becomes strong enough to enter a permanent home, or by disinfecting kennels to keep illnesses at bay, our volunteers truly give second chances every day. With a volunteer army more than six times the size of our staff, Larimer Humane Society simply would not exist without the passionate assistance of our volunteers.

Thanks to you, in fiscal year 2013 Larimer Humane Society:

- Increased shelter and office volunteer hours by 5% over 2012. Staff and animals benefitted from more than 45,000 hours of service, equivalent to nearly 21 additional full-time staff.
- Enhanced communications with volunteers in every department.
- Provided foster care for 570 animals.

HUMANE EDUCATION & COMMUNITY OUTREACH

8,243
INVESTIGATIONS

Just as we plant trees to benefit another generation, Larimer Humane Society educates our youth to ensure responsible care of animals in the future. Through Humane Education and Community Outreach, Larimer Humane Society enlists the next generation of animal-lovers to adopt our mission of responsible care and treatment of animals.

Thanks to you, in fiscal year 2013 Larimer Humane Society:

- Presented 32 humane education programs to schools and community groups.
- Partnered with Project Self-Sufficiency and Cindy Lee of the Wags & Menace Foundation to sponsor children from income-challenged households and enable them to participate in Critter Camp, a weeklong humane education camp for 8-13 year olds. In FY13, 49 children participated in Critter Camp programs.
- Partnered with the Fort Collins Cat Rescue to host a “Be Kind to Animals” poster and essay contest for area school children. Winners were given the opportunity to name a shelter animal and go on a behind-the-scenes tour of the shelter.

ANIMAL PROTECTION & CONTROL

Larimer Humane Society's Animal Protection & Control department supports the community with around-the-clock service. By contracting with Loveland, Fort Collins and unincorporated areas of Larimer County, animal control officers cover the entire county by protecting every animal's welfare and keeping community members safe.

Thanks to you, in fiscal year 2013 Larimer Humane Society:

- Responded to 20,612 calls for service from Loveland, Fort Collins, and unincorporated Larimer County.
- Increased park and neighborhood patrols by 1,251 or 35% over 2012.
- Celebrated average response times for priority calls at 15 minutes.
- Investigated 1,674 animal welfare cases.

LICENSING

A license is your pet's ticket home should they become lost. We also work for community safety by ensuring every pet is current with rabies vaccinations. License fees not only help ensure your pet's safe return home, but it also helps turn homeless animals into healthy and happy family members under our care.

Thanks to you, in fiscal year 2013 Larimer Humane Society:

- Sold 54,842 licenses, making progress toward the goal of licensing all cats and dogs.
- Recruited eight new locations to sell licenses, bringing the total number of outside organizations selling licenses to 70.
- Surpassed revenue goal, bringing in more than \$630,000 through licenses and more than \$60,000 in donations.

DEVELOPMENT & FUNDRAISING

The generosity of our community inspires us daily. Through wonderful partnerships with individuals, businesses, organizations, and foundations, magical progress continues toward making Northern Colorado a better place for animals and the people who love them. In the past year, our supporters voiced their commitment to our cause as loud as ever, raising \$1,430,260 to fund our vital, lifesaving work.

Thanks to you, in fiscal year 2013 Larimer Humane Society:

- Welcomed nearly 430 guests to the 14th Annual Top Cat & Tails Gala, Soiree of the Sphinx, raising more than \$125,400 for the animals, a 28% increase over the previous year.
- Held the 23rd Annual Fire Hydrant 5, 5K Walk/Run & Pet Expo, hosting a record 1,130 participants and nearly 70 booth vendors, raising more than \$73,000, a 10% increase over 2012.
- Hosted the second annual Heritage Circle Luncheon, welcoming nearly 100 guests who have committed to or expressed interest in leaving their legacy through a planned gift.
- Raised lifesaving funds and strengthened animal welfare collaborations through the Phantom 4-Miler and Spay-ghetti & No Balls Dinner & Craft Fair. Both events were presented by Embassy Suites Loveland and made possible through partnership with Fort Collins Cat Rescue & Spay/Neuter Clinic, Animal House Rescue, and Denkai Animal Sanctuary.
- Participated in Colorado Gives Day for the second year, raising nearly \$14,000 in one day, an 86% increase over the previous year.

MEDIA RELATIONS

Larimer Humane Society engages with community members in a number of ways. Through marketing, media relations and social media, we're able to see exponential growth in our number of supporters year over year. In the last year, Larimer Humane Society utilized traditional and social media in novel ways to provide second chances for shelter pets.

Thanks to you, in fiscal year 2013 Larimer Humane Society:

- Increased online presence and social media followership (25% increase in Twitter followers; 40% increase in Facebook likes; averaging more than 2,500 engaged Facebook fans per month).
- Implemented new e-communication practices to offer supporters more control over their media choices.
- Promoted rabies awareness, pet licensing, changes to animal control contracts and our signature special events, among other key messages.

LARIMER COUNTY ELECTIONS**RESOLUTION NO. R2014 67292014R003**

**RESOLUTION CALLING ELECTION AND CERTIFYING BALLOT TITLE
FOR A COUNTY-WIDE SALES AND USE TAX FOR FINANCING A
NEW ANIMAL CARE AND CONTROL FACILITY**

WHEREAS, Article 2 of Title 29 of the Colorado Revised Statutes (C.R.S.), as amended authorizes referral of a county-wide sales and use tax to the registered electors of a county either by resolution adopted by the Board of County Commissioners or by petition initiated and signed by five percent of the registered electors of the County; and

WHEREAS, a Petition entitled "PETITION FOR THE FINANCING OF A NEW ANIMAL CARE AND CONTROL FACILITY IN LARIMER COUNTY" ("Petition") requesting a county-wide sales and use tax in the amount of one-tenth of one percent for no more than six years beginning January 1, 2015, and increased debt of \$14,900,000 for the purpose of financing a new Animal Care and Control Facility to be constructed on land owned by the Larimer Humane Society ("Initiative") has been presented to the Board of County Commissioners of Larimer County; and

WHEREAS, the Larimer County Clerk and Recorder has provided certification, as required by §29-2-104(4) C.R.S. that the Petition has been signed by at least five percent of the registered electors of Larimer County; and

WHEREAS, pursuant to §29-2-104(4) C.R.S. the Board of County Commissioners, upon being presented with a petition requesting a proposal for a county-wide sales and use tax, which is certified by the County Clerk and Recorder as being signed by five percent of the registered electors of Larimer County, is required to submit such Initiative to the registered electors of Larimer County; and

WHEREAS, Article X, Section 20 of the Colorado Constitution requires voter approval of the proposed county-wide sales and use tax; and

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY
COMMISSIONERS OF LARIMER COUNTY:**

Section 1. Election Called. It is hereby determined that an election shall be held on November 4, 2014, as part of the general election, for the purpose of submitting to the registered electors of Larimer County the question set forth hereafter. The cost of the election shall be paid from the general fund of the County as required by §29-2-104(5) C.R.S. The conduct of the election shall conform, so far as practicable, to the general election laws of the State of Colorado.

Section 2. Election Official. The Larimer County Clerk is designated as the County's "Designated Election Official" as defined in §1-1-104(8) C.R.S. as the person responsible for running the election, and is directed and authorized to take such action as may be necessary to call, hold and canvass the election in accordance with law.

Section 3 Ballot Title. The Ballot Title shall be as follows and is hereby certified to the Larimer County Clerk and Recorder for submission to the registered electors of Larimer County:

ANIMAL CARE AND CONTROL FACILITY SALES AND USE TAX AND DEBT QUESTION

SHALL LARIMER COUNTY TAXES BE INCREASED \$5,500,000 ANNUALLY, (ESTIMATED FIRST YEAR DOLLAR INCREASE), AND BY WHATEVER ADDITIONAL AMOUNT IS RAISED ANNUALLY THEREAFTER, BY THE IMPOSITION OF AN ADDITIONAL COUNTYWIDE SALES AND USE TAX AT THE RATE OF ONE TENTH OF ONE PERCENT (0.1%) AND SHALL LARIMER COUNTY DEBT BE INCREASED BY AN AMOUNT NOT EXCEEDING \$14,900,000 WITH A REPAYMENT COST OF UP TO \$16,400,000 WITH SUCH TAXES AND DEBT TO BE SUBJECT TO THE FOLLOWING:

- THE COLLECTION OF THE TAX SHALL BEGIN ON JANUARY 1, 2015 AND CONTINUE THROUGH AND INCLUDING THE EARLIER OF DECEMBER 31, 2020 OR THE EARLIEST DATE POSSIBLE TO TERMINATE THE TAX AFTER THE COUNTY HAS PAID THE DEBT;
- THE REVENUES OF SUCH SALES AND USE TAX SHALL BE DEPOSITED INTO THE LARIMER COUNTY ANIMAL CARE AND CONTROL FACILITY CAPITAL IMPROVEMENT FUND TO BE PLEDGED FOR THE PAYMENT OF THE DEBT AND TO BE USED FOR THE FINANCING, DESIGN, CONSTRUCTION (INCLUDING RELOCATION COSTS), AND OPERATION AND MAINTENANCE COSTS OF AN ANIMAL CARE AND CONTROL FACILITY ON LAND OWNED BY LARIMER HUMANE SOCIETY PURSUANT TO AN AGREEMENT BETWEEN THE COUNTY AND THE SOCIETY;
- THE DEBT SHALL CONSIST OF SALES AND USE TAX REVENUE BONDS OR OTHER FINANCIAL OBLIGATIONS TO BE ISSUED FOR THE PURPOSE OF FINANCING THE DESIGN AND CONSTRUCTION (INCLUDING RELOCATION COSTS) OF THE ANIMAL CARE AND CONTROL FACILITY, BEARING INTEREST AT A NET EFFECTIVE INTEREST RATE NOT TO EXCEED 3.95%, AND OTHERWISE TO BE ISSUED IN ONE OR MORE SERIES IN SUCH MANNER AND UPON SUCH TERMS AND PROVISIONS WHICH MAY INCLUDE REDEMPTION PRIOR TO MATURITY WITH OR WITHOUT PREMIUM, ALL AS THE COUNTY MAY DETERMINE;
- THE COUNTY IS AUTHORIZED TO ISSUE DEBT TO REFUND THE DEBT AUTHORIZED IN THIS QUESTION, PROVIDED THAT AFTER THE ISSUANCE OF SUCH REFUNDING DEBT THE TOTAL OUTSTANDING PRINCIPAL AMOUNT OF ALL DEBT ISSUED PURSUANT TO THIS QUESTION DOES NOT EXCEED THE MAXIMUM PRINCIPAL AMOUNT SET FORTH ABOVE, AND PROVIDED FURTHER THAT ALL DEBT ISSUED BY THE COUNTY PURSUANT TO THIS QUESTION IS ISSUED ON TERMS THAT DO NOT EXCEED THE REPAYMENT COSTS AUTHORIZED IN THIS QUESTION;

- AND SHALL THE REVENUES OF SUCH SALES AND USE TAX REVENUES, THE PROCEEDS OF THE BONDS, AND INVESTMENT INCOME ON ALL SUCH REVENUES AND PROCEEDS BE COLLECTED, RETAINED AND SPENT AS A VOTER-APPROVED REVENUE CHANGE AND EXCEPTION TO THE LIMITS WHICH WOULD OTHERWISE APPLY PURSUANT TO ARTICLE X, SECTION 20 OF THE COLORADO CONSTITUTION;

ALL PURSUANT TO AND AS FURTHER PROVIDED IN THE PETITION FILED WITH THE COUNTY PURSUANT TO §29-2-104(4), COLORADO REVISED STATUTES, AS AMENDED, REQUIRING THIS QUESTION TO BE SUBMITTED TO THE ELECTORS OF THE COUNTY?

NO _____

Section 4. Notices of Election.

a. Pursuant to §29-2-104(5) C.R.S., the County Clerk and Recorder shall cause to be published the text of the proposal for a county-wide sales and use tax four separate times, a week apart, in the official newspaper of Larimer County and each city and incorporated town within Larimer County.

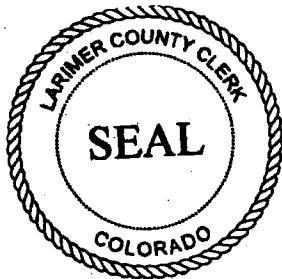

b. The County Clerk and Recorder shall cause to be published, at least twenty (20) days before the election, the notice required by §1-5-205 C.R.S. Such notice shall be in the form and contain the information required by law. The notice shall also be posted at least ten (10) days before the election as required by §1-5-205(1.3) C.R.S.

c. The County Clerk and Recorder shall cause a notice to all registered electors of the County to be mailed in accordance with Article X, Section 20(3)(b) of the Colorado Constitution and other applicable law. Such notice shall be in the form and contain the information required by law.

Section 5. Amendment to Petition--Text of Proposal. Numbered paragraph 13 of the Petition—Text of Proposal shall be amended to read as follows:

The County is authorized to adopt such uniform rules and regulations as may be necessary for the administration and enforcement of this proposal; and that the Board of County Commissioners or their authorized representatives are hereby empowered to enter into and execute on behalf of the County any agreements necessary for the administration and enforcement of this proposal. The Board of County Commissioners may, by amending this proposal, change the procedures of collection of the tax authorized hereunder, vendor fees, and the administration or enforcement of this proposal, but may not add or eliminate exemption without further voter approval, except the Board of County Commissioners may add eliminate or change exemptions without further voter approval to reflect changes in exemptions as set forth in state law.

AGENDA ITEM:	11
MEETING DATE:	9/2/2014
TO:	City Council
FROM:	Betsey Hale, Economic Development Department
PRESENTER:	Betsey Hale, Economic Development Department

TITLE:

An Ordinance on First Reading Enacting a Supplemental Budget and Appropriation to the 2014 City of Loveland Budget for Consulting Services to Prepare the Application for a Regional Tourism Authority to the State of Colorado Economic Development Commission

RECOMMENDED CITY COUNCIL ACTION:

Conduct a public hearing and approve the ordinance on first reading.

OPTIONS:

1. Adopt the action as recommended
2. Deny the action
3. Adopt a modified action (specify in the motion)
4. Refer back to staff for further development and consideration
5. Adopt a motion continuing the item to a future Council meeting

SUMMARY:

This is an administrative action. The ordinance provides \$175,000 in funding for consultants to develop the application for the Regional Tourism Authority to the state Economic Development Commission. Funding in the amount of \$125,000 is from the Economic Incentive Fund and \$50,000 is from the Lodging Tax Fund.

BUDGET IMPACT:

Positive
 Negative
 Neutral or negligible

The ordinance is funded by fund balance reducing the flexibility to fund other projects. The current funding in the Economic Development Incentive Fund is \$1,110,120 and the balance in Lodging Tax Reserves is \$756,730.

BACKGROUND:

At the July 22nd City Council study session, Council gave staff direction to bring a supplemental appropriation funding request for the purpose of hiring consultants to complete the Northern Colorado Regional Tourism Act application to Council for formal consideration.

The Regional Tourism Act (RTA) is legislation and a subsequent program developed by the State of Colorado Economic Development Commission to provide financial support for the development of regional tourism attractions and associated amenities. The purpose is to increase the attraction of out of state visitors and also increase visitors spending. The RTA provides for the establishment of an authority which will use the State of Colorado sales tax increment collected in a designated RTA zone for the purpose of financing eligible projects.

Larimer County, the City of Loveland and Town of Windsor will be considering support for a joint RTA application. The application effort will be led by a private non-profit; Go NoCo. The project concept areas are located at:

- The Larimer County Ranch and Fairgrounds
- Water Valley property in Loveland and Windsor
- Centerra
- Sylvan Dale Guest Ranch

Details of the projects are included in the presentation attached to this report. Total project construction costs are estimated over \$190 million.

At the August 4th meeting of the Windsor Town Board, staff was given direction to return to a town board meeting to formally approve \$50,000 of funding. These funds will be distributed to Go NoCo, a private 501c.3 non-profit that is leading this application effort. At the August 20th meeting of the Community Marketing Commission, the CMC approved a motion recommending support of \$50,000 in lodging tax reserves for this purpose.

It is anticipated that the Economic Development staff will negotiate and the City Manager will execute a contract with Go NoCo to prepare the joint RTA application and manage the application process including submission to the state Economic Development Commission. The services provided by Go NoCo will include hiring and managing professional financial, marketing, legal, and tenant recruitment consultants as necessary to prepare the application under the direction of a project manager. Staff will return to Council for formal approval of the RTA application prior to submission.

What is the RTA Program?

- Program of the Colorado Economic Development Commission
- **State Sales Tax** increment financing tool for the development of large scale, regional tourism projects
- These projects can include tourism and entertainment facilities and the associated hotels and infrastructure **however:**
- Must draw a significant number of new regional, national and international patrons

Projects

- Extraordinary and unique in nature
- Result in a substantial increase in out of state tourism
- Generate new state sales tax from residents outside the zone
- Local governments must provide reliable economic data demonstrating that in the absence of the state sales tax increment revenue the project is not reasonably anticipated in the foreseeable future.....
“But for the State assistance”

Why Now, Why NoCo?

- Only two more RTA applications will be awarded by the State, 3 have been awarded.
- Northern Colorado has not received an award
- Three public partners: Larimer County, Loveland and Windsor and 3 unique private partners with project areas already in design phases and financial evaluation
- There is a strong International and National “Destination Economy” growing in NoCo

National/International Marketing

- Attendance at Pow Wow and Go West International Trade Show(s)
- Developed Relationships with Tour Bus Receptors
- Familiarization (FAM) Tours and Ads with Colorado Tourism and Brand USA: Germany, Ireland, England, France, Portugal, Canada, Japan, Mexico, China
- US Pro Cycling Challenge a No Co effort

"Joy"
by Dominic
Benhura,
property of
Centerra
Metropolitan
District

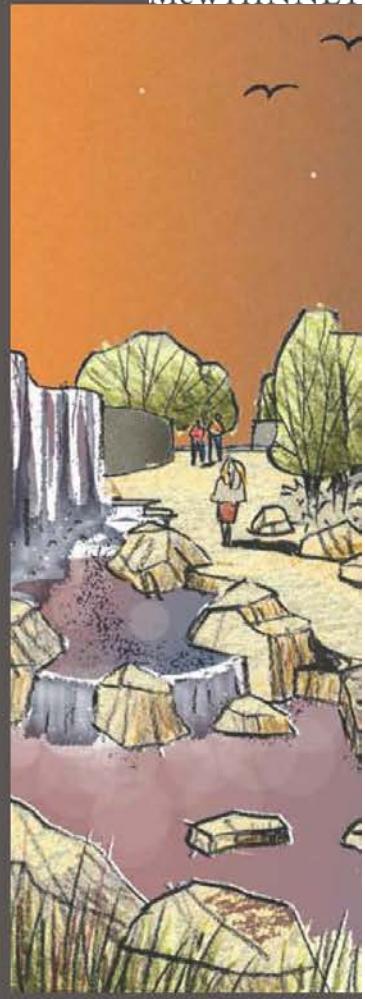

Over the past 40 years, a group of very special artists from Zimbabwe have exhibited their work in many of the world's most beautiful parks and gardens. Now, this amazing collection is finding a permanent home in Loveland, Colorado, considered by many to be the sculpture capital of North America. A unique partnership between the Chapungu Sculpture Park of Harare, Zimbabwe, McWhinney Enterprises, developer of Centerra, and the community of Loveland, Colorado, provides an amazing gift by establishing the Chapungu Sculpture Park at Centerra. The 26 acre park will contain a permanent, rotating exhibition of some of the world's most renowned stone sculptors. These remarkable works of art are inspired by the religion, mythology, nature, and culture of Zimbabwe.

Cultural Centre site plan

The centerpiece of the park will be the Chapungu Cultural Arts Centre. The Centre's mission will support, encourage and promote the visual and performing artists of Africa, with emphasis on the stone sculp-

tors, painters, performing artists, writers, poets, and cultural performers of Zimbabwe. This is the story of the Chapungu Cultural Arts Centre and the Chapungu Sculpture Park at Centerra.

Regional Tourism Act (RTA)

Purpose

The Regional Tourism Act creates a mechanism for a local government to undertake a regional tourism project to attract out-of-state visitors, to create a regional tourism zone in which the project will be built, and to create a regional tourism authority (or to designate other financing entities) with the power to receive and utilize the increment of revenues derived from the state sales tax collected in the zone, that is above a designated base amount, to be used to finance eligible improvements to the project.

The State's Role

The Colorado Office of Economic Development and International Trade (OEDIT) provides administrative support for the Colorado Economic Development Commission (EDC). The EDC has oversight authority for this program. A local community should work with OEDIT to determine application requirements and deadlines to submit completed applications for review by OEDIT. The Business Funding and Incentives Staff will facilitate the application review process, application presentation with structuring recommendations to the EDC, resolution drafting and project monitoring.

Requirements

- The EDC shall not approve any project that would likely create an annual state sales tax revenue dedication of more than \$50 million to all regional tourism projects.
- The EDC cannot initially approve more than two projects. Once the EDC approves two initial projects, the EDC may approve two additional projects during the next calendar year. Once the EDC approves two additional projects, the EDC may approve two additional projects during the following calendar year.
- The EDC will:
 - Review applications forwarded with OEDIT recommendations and may approve or reject the project based on a demonstration that the following criteria are materially met:
 - The project is of an extraordinary/unique nature and is reasonably anticipated to contribute significantly to economic development and tourism in the state and communities where the project is located.
 - The project is reasonably anticipated to result in a substantial increase in out-of-state tourism.
 - A significant portion of sales tax revenue generated by the project is reasonably anticipated to be attributable to transactions with nonresidents of the zone.
 - The local government has provided reliable economic data demonstrating that in the absence of state sales tax increment revenue, the project is not reasonably anticipated to be developed within the foreseeable future.

Adopt a resolution for approved applications specifying the following:

- The local government approved to undertake a regional tourism project.
- The area of the regional tourism zone.
- Requested by the local government, authorize the creation of an authority to receive and spend state sales tax increment revenue.
- The percentage of the state sales tax increment revenue that will be dedicated to the project.
- Authorize the collection and use of the state sales tax increment revenue for a designated number of years.
- Authorize the utilization of the state sales tax increment revenue by the financing entity pursuant to the RTA and conditions of approval determined by the EDC.
- Appoint board members to the approved authority when applicable.

- Have the ability to revoke or modify its approval of a project if substantial work on the project does not commence within five years of approval by the EDC.
- Other terms and conditions required by the EDC.

Process

A local government will need to submit a regional tourism project application to OEDIT within the application cycle deadline. OEDIT will review the application for general completeness and to make an initial determination regarding whether the application has met the general criteria for a regional tourism project. An economic review and report on the application will be completed by an independent Third Party Analyst hired by the Office of State Planning and Budgeting. Applications will be forwarded to any county or counties and adjacent municipalities where the project will be implemented for an opportunity to review the application and submit comments to the EDC within 30 days prior to the scheduled EDC meeting. The EDC will make final approval or denial determinations.
