

National Prescription Drug Take Back Day

Are you putting medications down the drain?

As part of a nationwide program, the Loveland Police Department and the Department of Water & Power want you to know there is an easy, anonymous and environmentally friendly disposal alternative for medications.

Disposing of unwanted and expired medications in the sink or toilet can effect water quality.

When: Saturday, April 30, 2011
Where: Police & Courts Building
810 East 10th Street
Time: 10 a.m. to 2 p.m.

Purpose

- ❖ Prevent accidental poisonings and abuse.
- ❖ Protect the Big Thompson River.

What's accepted:

- Prescription Pills & Capsules
- Over the Counter Pills & Capsules
- Vitamins & Supplements
- Ointments, lotions and creams
- Pet Medications
- Medical Patches
- Medication Samples

Not Accepted:

- IV Bags
- Inhalers
- Needles
- Epi-pens
- Thermometers
- Controlled Substances

Keep medicines out of a child's reach.

- **Products should be in their original container and tightly sealed.**
- **Remove or mark out any personal information, including Rx number using black permanent marker, duct tape, or by scratching it off.**
