

# DOWNTOWN ALLEYS AND PARKING LOTS

City of Loveland  
Public Works  
2015-2016

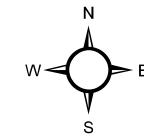

## SNOW REMOVAL PRIORITIES

- Sidewalk (FM)
- Highway
- Priority 1
- Asphalt Alley
- Brick Alley
- Concrete Alley
- Parking Lot (FM)
- City Facilities
- Downtown

1. Facilities Maintenance to clear sidewalks and push parking lot snow into piles.
2. Streets to clear alleys and haul snow piles away.

### Guidelines

1. Using necessary equipment push and pile snow into designated areas for later hauling.
2. Try to minimize the number of parking spaces sacrificed to snow piles.

0 200 400  
1 inch = 276 feet
