US 34 PUBLIC MEETING

What: US 34 Permanent Repairs Public Meeting

When: 6:00 p.m., Wednesday, July 20, 2016

Where: Ellis Ranch
2331 Ellis Ranch Ln, Loveland, CO 80538

Construction activities will begin in August resulting in intermittent lane closures and traffic stops for rock-blasting and general construction operations between mile points 77 and 80 (from just east of Drake to the Cedar Cove area). To help clarify the schedule and provide up-to-date information, CDOT will host a public meeting to explain this summer's work and the traffic closure planned from October 2016 to June 2017.

Please Note New Contact Information

Info: Hotline: 970-667-1005

Email: infous34@kiewit.com

Website: us34canyon.codot.gov

Meeting Agenda will consist of the following information:

- Formal presentation to educate the public about summer construction activities and lane closures along US 34 and clarify and inform the public about the traffic closures associated with work beginning in October, as well as an overview of the entire project.
- Q&A session

*Please note at this meeting CDOT will **only** be presenting information on summer construction and this fall's Canyon closures. We will **not** be covering the specifics of the permitting process for Canyon residents or providing a detailed schedule for fall construction activities. These issues will be covered at public meetings in September once more information is available.*
