

TRANSPORTATION ADVISORY BOARD (TAB)

Roles and Duties

Background

The Commission was originally established as the Transportation Advisory Board on April 2, 2002 (Ord. #4708), with 7 members.

Roles and Duties of the Commission

The duties are established by Municipal Code 2.60.250, as follows:

Transportation advisory board.

A. There is established a transportation advisory board consisting of seven members appointed by the city council. The term of office of each member shall be three years

B. The purpose of the transportation advisory board shall be to serve as an advisory body to the city council and staff to assist in the planning and development of multi-modal transportation systems, other than those considered solely recreational. In addition to any other duties as may be delegated to it by the city council, the board shall provide the city council with advice and recommendations relating to the following:

1. Local and regional transportation and transit matters, including, without limitation, those matters related to local and regional transportation projects and organizations;

2. Policies, standards, and code amendments concerning transportation and transit;

3. The city's annual budget for the transit, project engineering, traffic, and streets divisions of the city's public works department;

4. The city's ten-year capital improvements plan as it relates to transportation and transit revenues and expenditures;

5. Proposed amendments to the city's transportation master plan; and

6. Transportation and transit fees, rates, and other charges to be approved by the city council.
