Re: Magpie 30-day Notice to City of Loveland

Dear Messrs. Doka and Warner:

I am writing this letter on behalf of the City of Loveland in response to your letter dated September 6, 2018, which was received by the City on September 10, 2018 (See attached proof of receipt).

The City is not in a position to consent or object to the letter because Magpie has not provided complete information required by the Colorado Oil and Gas Act or Commission Rules; however, the City reserves all rights to comment on any formal Application filed by Magpie that encompasses the lands described in Magpie's letter, and to require Magpie to comply with State law including the Commission Rules in order to assure that any operation protect the public's health, safety, and welfare, the environment and wildlife resources.

The City looks forward to continuing to work cooperatively with you on this project and the City's 402 Corridor Plan.

Sincerely,

PHILLIP D. BARBER, P.C.
