

NOTICE OF PUBLIC HEARING

Notice is hereby given that a public hearing will be held by the Loveland Planning Commission on February 11th 2019 at 6:30 p.m. in the City Council Chambers, 500 East Third Street, for the purpose of considering amendments to the City's comprehensive land use plan, Create Loveland. Create Loveland contains the Policies and Future Land Use Map, which will guide growth and development decisions in Loveland over the next ten years or more. These amendments are to ensure consistency with the Unified Development Code. For additional information, contact Jennifer Hewett-Apperson at 962-2557.
