

## **NOTICE OF PUBLIC HEARING**

Notice is hereby given that a public hearing will be held by the Loveland Planning Commission on July 8, 2019 at 6:30PM in the City Council Chambers, 500 East Third Street, for the purpose of considering adoption of a Wireless Communications Code as a new Title 14 along with associated amendments to the Unified Development Code (Title 18) and Title 13 regarding pole attachments. The purpose of these Code amendments are to address the installation, maintenance, and modification of wireless communications facilities both in the public right-of-way and on private property. For additional information, please contact Kim O'Field at (970) 962-3365.
