Adventure Bound Day Camp (ABDC) Registration & Fee Policies

Registration

Registration begins in March, with specific annual dates listed in our Winter/Spring Activity Guide. Families returning from the previous camp year have a priority registration period prior to public registration. All camp spaces are filled on a first-come, first-serve basis based on availability. Registration forms can be picked up at the Chilson Center front desk or downloaded online: www.CityofLoveland.org/ABDC. Completed registration forms and appropriate fees are accepted in-person only at the Chilson Center front desk (priority) or the Chilson Senior Center front desk (public) beginning on designated priority and public registration days, and remain open until all spaces are filled. Additional enrichment activities and field trips may be available through in-person registration at Parent Orientation meetings in April, or through online registration through [WebTrac](#) beginning with the Summer Activity Guide registration dates (concurrent ABDC registrations may be required.)

Fees & Payment Schedule

A \$35 non-refundable registration fee for each camper is due at the time of registration, covering daily use of Rocky Mountain Sunscreen (SPF 50+), access to online camper profiles & emergency notifications, and administrative costs for household account management including registrations, transfers, & cancellations/withdrawals.

A \$25/week deposit per camper is also due at the time of registration. Weekly deposits are applied toward the balance due for each week of camp. Remaining weekly balances are broken into 3 monthly payments and are due on the 1st of the Month: May 1, June 1 and July 1. Payments can be made in-person at the Chilson Center front desk or online through [WebTrac](#). Payments cannot be made over the phone. If you need to discuss alternative payment options, please contact Bryce Simonds, Day Camp Director.

Weekly camp fees include all on-site activities and most off-site field trips. Optional enrichment activities such as swim lessons or Friday field trips may be added to a current camper's schedule for an additional fee. All additional enrichment and field trip fees are due at the time of the corresponding camp week's due date.

Child Care Statements may be printed through [WebTrac](#). The **City of Loveland Tax ID #** is 84-6000609.

Withdrawal from Camp

If camp no longer meets the needs of a camper or their family due to philosophical differences or disciplinary issues, a parent/guardian may withdraw the child from camp programs at any time. Withdrawal notifications must be submitted in writing in order to avoid additional fees from being charged. See the following policy on Transfers/Cancellations/Refunds for more information on deadlines and requirements for refunds of fees already charged. All approved refunds are determined at the discretion of the Sr. Recreation Coordinator.

Transfers/Cancellations/Refunds

All transfers, cancellations, and refund requests must be submitted **IN WRITING**. A Camp Transfer/Refund Form is available at the Chilson Center front desk or online at www.cityofloveland.org/ABDC. Completed forms may be submitted back to the Chilson Center front desk or emailed directly to the Day Camp Director. Refund approvals are at the discretion of the Sr. Recreation Coordinator and follow the policy outlined on the form and below. All sections of the Camp Transfer/Refund Form must be completed in their entirety in order to be eligible for any refund.

Camp week transfers that are submitted on or before **Friday, April 23** will be allowed without penalty. Beginning on **Monday, April 26** our regular cancellation/transfer policy will apply and is as follows: Any and all cancellations may be subject to forfeiture of the \$25/week per child deposit. Additionally, cancellations made less than 10 business days prior to the week your child is scheduled to attend are subject to forfeiture of 50% of the weekly fee. NO refunds will be given for cancellations made less than 5 working days prior to the week your child is scheduled to attend.

Enrollment Profiles & Immunization Records

Camper's must have a fully completed enrollment profile on file with camp staff prior to attending camp programs. Profiles are completed through ePACT, an online emergency notification system, and include emergency contact & authorized pick-up information, health/medical/behavior history, REQUIRED current immunization records and all liability/release waivers. Invitations to complete online profiles are emailed after parent orientation meetings. All ePACT profiles must be 100% completed, including uploading immunization records by **Wednesday, May 12**.

All medications needing to be administered at camp will require additional forms to be completed and signed by a physician, and submitted to camp staff prior to camper attendance in camp programs. Blank forms are available for download in the Shared Files section of the ePACT profile.
