WHEREAS, these three measures, if passed, will reduce the annual tax revenue of the City Of Loveland by as much as twenty percent based on information provided at the City Council study session on September 14<sup>th</sup>; and

WHEREAS, if the annual tax revenue of the City Of Loveland is reduced by as much as twenty percent, the annual budget for the Loveland Public Library could be reduced by more than fourteen percent; and

WHEREAS, the renovation and expansion of the Loveland Public Library will result in a 21<sup>st</sup> century library; however, a library operating reduction of fourteen percent or more will prevent full utilization of the renovated and expanded Loveland Public Library;
