

Safety Checklist for Carvey

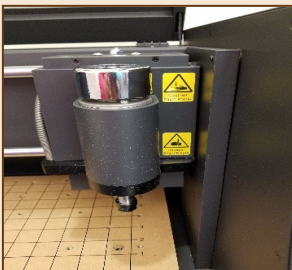

If you are under 18, always have an adult with you

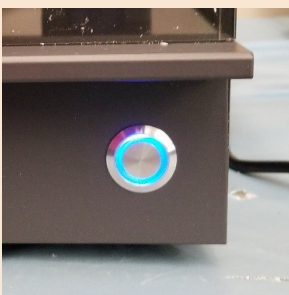

Roll up loose clothing to above the elbow and remove all jewelry from wrist and hands

Ask a staff person to change the bits

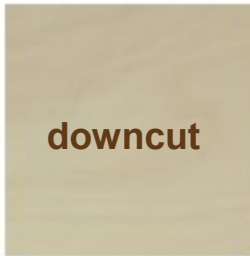

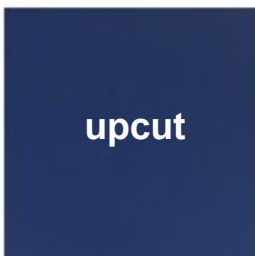

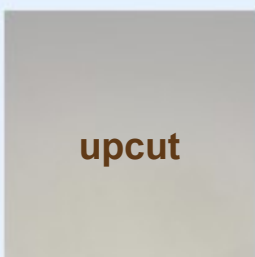

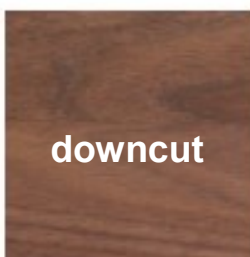

Be aware of pinch points when opening and closing the front cover

Know where the pause button is and get a staff person if anything goes wrong

Need materials? Shop the [Inventables Store](#)

| | | | |
|---|--|---|--|
|  upcut |  not used |  straight |  downcut |
| ABS | Aluminum | Bamboo | Birch Plywood |
|  straight |  upcut |  straight |  not used |
| Bubinga | Cast Acrylic | Cherry Plywood | Corian |
|  upcut |  downcut |  not used |  downcut |
| Expanded PVC | Hard Maple | Linoleum | MDF |
|  not used |  downcut |  upcut |  downcut |
| PCB | Soft Maple | Two-Color HDPE | Walnut |

For materials not listed look for a note on the material. For most woods and acrylics, please note you may have to change setting to get the desired cut effect.

We do not stock ABS, aluminum, corian, linoleum, or PCB.

If you wish to use materials from other sources, please contact Technology Staff at library.technology@cityofloveland.org or 970.962.2599.
