2022 Annual Statistical Report

LOVELAND POLICE

DEPARTMENT

CALEA Accredited Agency Since 1992

Table of Contents

The annual statistical report was created to inform both the Loveland Police Department and the City of Loveland community members about crime and traffic incidents, crashes, and offenses within the city. Among this report you will find an overview of the calls for service received and responded to by the members of the Loveland Police Department during 2022. Arrest and traffic data, population figures, district breakdowns, and other information is included.

Various data sources were utilized to prepare this analysis including the Records Management System (RMS), the Computer Aided Dispatch System (CAD), online resources such as the City of Loveland's 2022 Annual Data & Projections Report, Colorado Crime Stats, CBI NIBRS Reporting, and FBI.gov. It should be noted that the numbers in this report may vary slightly from the LPD monthly data summary or other data queries and reports of a similar nature.

Calls for Service (CFS) encompass a large portion of this report. CFS will encompass citizen-generated calls, while Logged Police CAD Activities log all reports including citizen generated and officer initiated contact. It should be noted that although Community Service Officers (CSOs) are not sworn officers, and do not have arrest powers, they are dispatched to traffic and parking related calls, prisoner transport, and other low-risk calls and provide important support to LPD sworn officers. CSO activity that was citizen generated is included in the numbers found in this analysis.

It should also be noted that this report presents a small portion of the quantitative work the LPD responds to on a daily basis. Numbers will never represent the dedication, courage, strength, compassion, and willingness the members of the Police Department put into their jobs to help keep the City of Loveland a safe place to live and work.

Highlights

In January 2022, a full time Victim's Services Coordinator was hired. By June, there were 6 volunteers added to the team. In February 2023, a full time and a part time Victim Services Specialists were hired, and the goal is to have 15 volunteers on board by the end of 2023. In 2022, the Victim Services Unit provided a 24/7/365 response to victims of crime, victims of circumstance, and unattended deaths or suicides.

- 1,481 Victims/Witnesses were reached
- Crisis Assistance was given to 902 individuals by Officers, Detectives, or Victim Services
- Victim Brochures were given to 993 individuals by Officers, Detectives, or Victim Services
- 1,125 Victims/Witnesses were called by Victim's Services
- 295 Victims/Witnesses were emailed by Victim's Services
- 110 Victims/Witnesses were met in-person by Victim's Services

Members of the Loveland Police Department participated in approximately 95 presentations and community events in 2022 including Community Night Out and the Fishing Derby in the summer, as well as Santa Cops and Cops Fighting Cancer in the winter. LPD members also celebrated USMC Sgt Jack Thurman's 97th birthday with the Veterans Group and were honored by Shield 616 and gifted 3 ballistic plates and vests by the Lions Club of Loveland. Presentations were given at numerous locations such as schools, businesses, churches, other city departments and community groups, and local parks. The age ranged from preschool aged children to senior adults. During these presentations LPD was able to reach an approximate total of 2.582 children and 2,080 adults by providing some variation of safety and prevention information.

The Loveland Police Explorer Post #22 experienced tremendous growth during 2022 with active recruitment done by the School Resource Officers at all middle and high schools. This resulted in doubling the size of the post. The Post is actively engaged in supporting the growth and learning of the cadets by providing opportunities to work alongside police officers.

With the desire to keep the community informed, the development and growth of social media platforms was an objective in late 2022. The number of social media followers increased by nearly 2000 between September and December. The goal is to have 25,000 followers by the end of 2023.

Though the swearing in wasn't until January 3rd, 2023, Chief of Police Tim Doran was appointed to the Loveland Police Department in late 2022.

City Districts

The Officers of the Loveland Police Department patrol approximately 35.63 square miles every day, which includes over 430 miles of roads. The city is divided into five Police Districts which are shown on the map below.
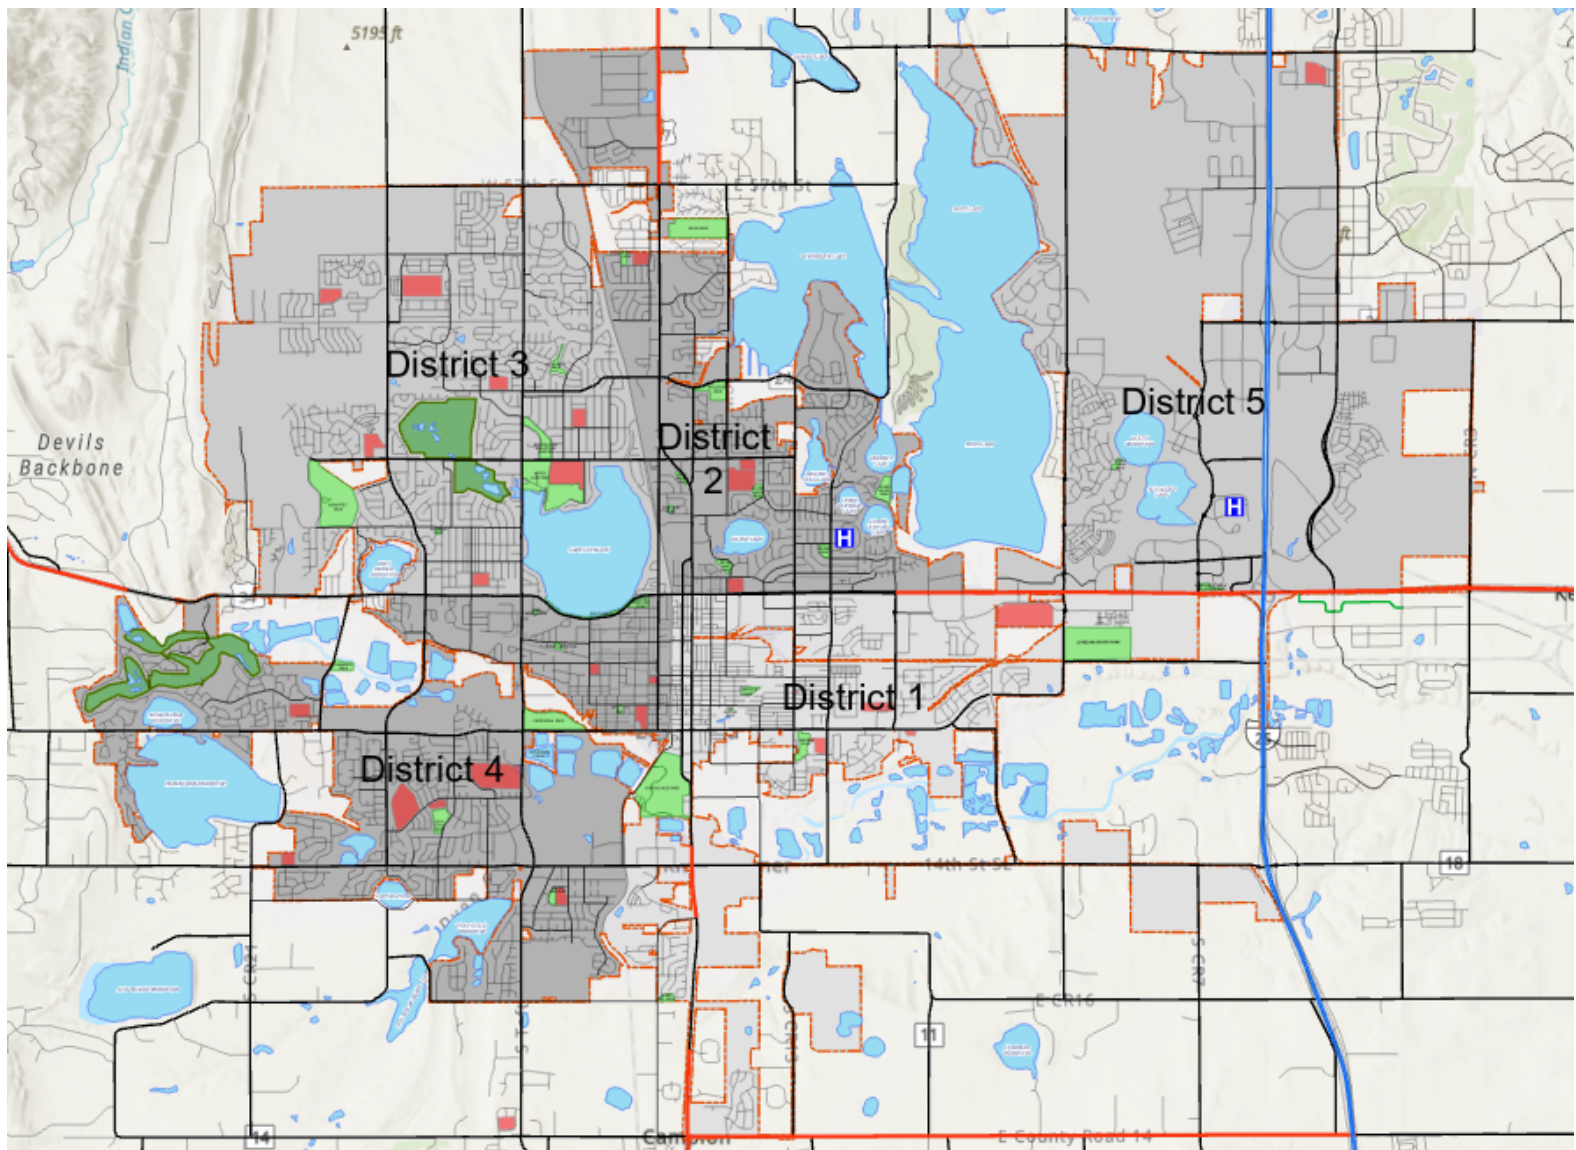

City Population

According to the City of Loveland Annual Data and Projections Report, between 2010 and 2021 the Front Range region saw 95% of the population growth for the entire state. Larimer County landed in the top five counties for fastest-growth rate in the state with a total of 19.7% in ten years.

Over the past five years the total population of Loveland Colorado has increased from 76,899 in 2018 to 82,788 in 2022. This is a total 7.47% increase, with an average annual increase of 1.49%. It is predicted that the population will continue to rise, and in 2023 we can expect the population to sit around 84,542.

Population

Year	Population
2018	76,899
2019	79,150
2020	79,388
2021	81,070
2022	82,788
Calls for Service

The Communications Center dispatches calls for service for Police, Fire and Emergency Medical Service (EMS). This report analyzes only the police activity/calls that were recorded in 2022.

The Loveland Police Department had 83,435 logged police activities in 2022.These logged CAD activities include both citizen-generated Calls for Service (CFS) as well as officer-initiated incidents and follow-ups. The 2022 number is down 10.55% from the 93,261 logged activities in 2021. Citizen-generated Calls for Service (CFS) accounted for 52,559 (63%) of the total logged activities. This is down 1.5% from the 53,340 citizen-generated CFS in 2021.

The total logged activities number also includes the calls that were logged and subsequently handled by Communications without having to have an officer dispatched. In 2022, the Communications staff handled 13,270 (15.9%) of the logged police calls compared to 11,969 (12.3%) in 2019.

The Loveland Police Department prioritizes calls by the nature and urgency of the call type. The following table and graph indicate the frequency and percentage of logged police activity by priority classification based upon all logged activities

Priority Type - Logged Police Activities	Total	%
1 - Emergency	523	0.63%
2 - Urgent	5085	6.09%
3 - Non-Emergency	58943	70.65%
3 - Traffic	4076	4.89%
4 - Lobby/Desk	1558	1.87%
5 - Phone Contact	11136	13.35%
6 - Low Priority	76	0.09%
7 - Non-Priority	1	0.00%
8 - Dispatch	1374	1.65%
9 - Information	663	0.79%
Total	83,435	100%

Call types by priority
In 2021 we had seen an increase of both emergency and urgent calls from years previous. In 2022, the number of calls for both decreased.

Priority 1, or emergency calls, were down from 596 in 2021 to 523 in 2022. Priority 2, or urgent calls, were also down from 5,398 in 2021 to 5,085 in 2022. Priority 3, or non-emergency calls were down from 61,990 in 2021 to 58,943 in 2022. Non-emergency calls made up 71% of total call volume in 2022.

Citizen-Generated Calls For Service

As mentioned above, citizen-generated calls for service (CFS) accounted for 52,559 (63%) of the total logged activities. This is down 1.5% from the 53,340 citizen-generated CFS in 2021.

Citizen Generated Calls For Service 5-Year Trend

Year	Calls
2018	54,078
2019	55,429
2020	50,776
2021	53,340
2022	52,559
Of the 52,559 calls, Communications handled 13,270. This means Dispatchers were able to handle the call without it having to be transferred to an Officer.

Citizen Generated Calls For Service Handled by Communications

Year	Calls
2018	10,931
2019	14,773
2020	12,629
2021	11,969
2022	13,270

Citizen Generated Calls For Service by Month

Month	Calls
January	3,687
February	3,591
March	4,070
April	4,110
May	4,535
June	4,623
July	4,931
August	4,765
September	4,433
October	4,414
November	3,726
December	4,465
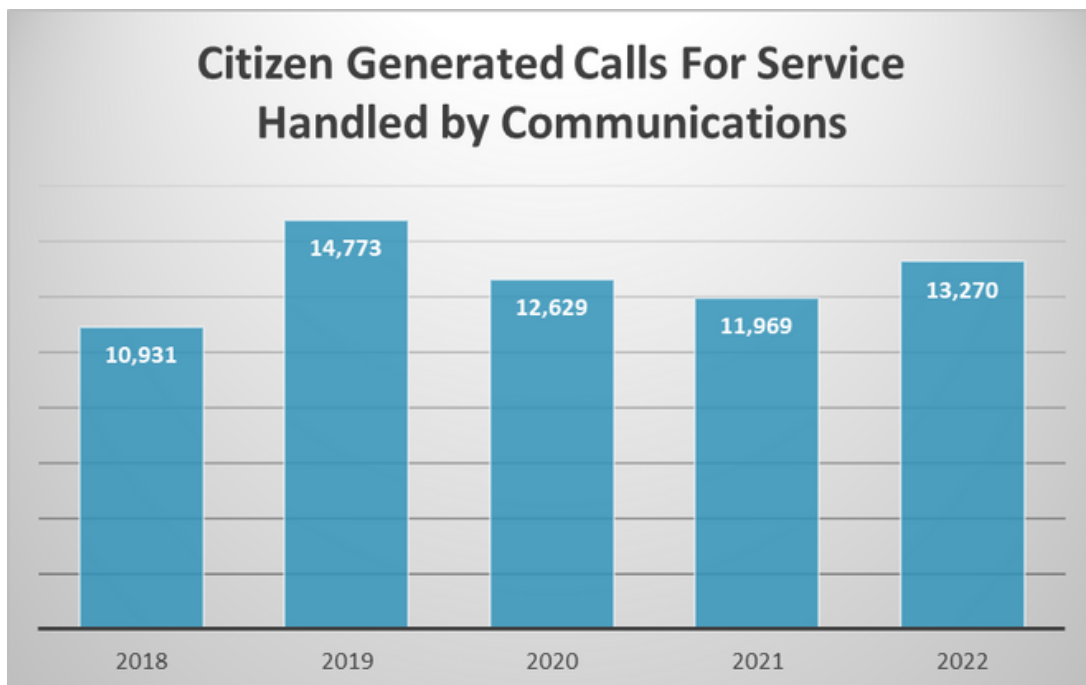

The Loveland Police Department received the most CFS in July at 4,931. The fewest number of calls came in February at 3,591. LPD saw the same trend in 2021 with the highest call volume in July and the lowest in February. On a weekly basis, the number of calls is fairly equal each day, with Friday's being the highest and Sunday's being the lowest. Again, the same trend was seen in 2021.

Citizen Generated Calls For Service by Day of Week

Day	Calls
Sunday	6,220
Monday	7,593
Tuesday	7,486
Wednesday	7,557
Thursday	7,516
Friday	7,743
Saturday	7,235

District 1 saw the highest number of calls for service at 16,804, which is 33% of the total citizen generated calls in 2022. It is important to note, the Loveland Police Department is housed in District 1, so many of these calls involved citizens walking into the department to make a report.
District 2 had the second highest call volume at 9,622 which made up 19% of the total citizen generated calls. District 4 had the third highest call volume, followed by District 5 and then District 3. Loveland Police Officers also responded to some calls outside of district jurisdiction which makes up the final two categories.

Citizen Generated Calls For Service by District

- District 1: 16804, 33%
- District 2: 9622, 19%
- District 3: 6167, 12%
- District 4: 8124, 16%
- District 5: 6816, 13%
- LPD Other: 3697, 7%
- Others: 72, 0%

Legend: District 1, District 2, District 3, District 4, District 5, LPD Other, Others
The top 10 locations for total calls for service are below.

Total Calls For Service - Top 10 Locations	Total
1325 N Denver - Wal-Mart	490
250 W 65th - Wal-Mart	480
137 S Lincoln - Loveland Resource Center	476
860 N Cleveland - Safeway	454
255 E 2nd - The Foundry	421
1725 Rocky Mountain Ave - Target	373
1600 E Eisenhower Blvd - Kum & Go	365

Criminal Mischief	249
Burglary Cold	200
Sex Offender Registration	192
Assault	164
Vehicle Recovery	150
Restraining Order Violation	149

Response Times

The total response time is calculated as the interval from the time the dispatcher answered the call to the time the first officer arrived on scene. Priority 1 calls are considered emergency calls, such as "weapons complaints", "robberies", or "injury crashes". Priority 2 calls are considered urgent calls such as "trespass in progress", or "verbal disturbance". Priority 3 calls are considered non-emergency calls such as "cold burglary", "fireworks,", or "cold trespass".

Phone Pickup to 1st Officer Arrive	2018	2019	2020	2021	2022
Priority 1 Calls	197	186	309	324	316
Average Response Time	06:42	07:42	06:49	06:57	07:29
Priority 2 Calls	3286	3073	2964	3193	3381
Average Response Time	07:38	07:34	07:28	08:02	09:00

Part 1 Crimes

Part 1 crimes are the eight index crimes defined by the FBI's National Incident Based Reporting System (NIBRS). The eight part 1 crimes are broken down into two categories, violent and property crimes. Violent crimes include homicide, forcible rape offenses, aggravated assault, and robbery. Property crimes include arson, burglary, larceny or theft offenses, and motor vehicle theft.

The annual statistical report was created to inform both the Loveland Police Department and the City of Loveland community members about crime and traffic incidents, crashes, and offenses within the city.

The information in this report comes from many sources and represents the many ways in which our officers work to serve and protect the Loveland community. This information is used to recognize areas of improvement, and help identify how to allocate resources moving forward. The men and women of the department in partnership with the community, work to reduce crime, reduce the fear of crime, solve problems, and enhance safety. We thank the strong partnerships the Loveland Police Department has with the community members, businesses, and organizations who actively support public safety.
