

Advanced Metering Opt-Out Application

Terms & Conditions

I represent and warrant that I am the named, authorized person/owner on the customer account number provided. I further represent and warrant that I am either the legal owner of the premise or a tenant at the premise who has obtained permission from the owner as indicated below.

By signing this form, I am indicating that I want to opt-out of receiving utility service with an advanced meter on my premise(s). By signing this form, I acknowledge that a non-communicating digital meter shall be installed at the premise listed on this form in lieu of an advanced meter.

I understand that, in accordance with the City of Loveland AMI opt-out program, my account may be assessed a one-time meter exchange fee described in the W&P Rates, Charges, & Fees if I do not opt-out prior to the City exchanging the meter to AMI initially. I also understand that my account will be assessed a monthly manual read fee starting in mid-2025; this fee will be communicated to me by the City prior to it showing up on my bill.

I attest to the fact that I meet all eligibility requirements and am the owner of the property for which I am applying for the opt-out program:

☐ I understand that I am only eligible for the City of Loveland's residential service tariff and will not be able to receive any other enhanced benefits that the City of Loveland AMI network may provide.

☐ I agree that I will maintain clear and direct access to my meter to allow personnel the ability to manually read the meter each month.
