

Request a Program

Visit: [Offero.CityofLoveland.org](https://offero.cityofloveland.org)

On the home page click on the **Request** box.
Log in or create an account.

Choose Your Date

Available dates on the online calendar are shown in green. Choose a date & fill out the form as completely as possible to request a program for your group. Include an alternate date in case your first choice is not available. If your group exceeds 60 students, please submit requests for two program days.

« October 2024 »						
Su	Mo	Tu	We	Th	Fr	Sa
29	30	1	2	3	4	5
6	7	8	9	10	11	12
13	14	15	16	17	18	19
20	21	22	23	24	25	26
27	28	29	30	31	1	2

Example only

Choose Your Topic

Use the educational program titles within this brochure as your topic on the form:

- Critter Scene Investigation (K–1st grade)
- Plants & Places (Grades 2–3)
- Canyon Ecosystem Exploration (Grades 4–5)
- Pre-K (PEEPs)

Submit the Form

Once the form is completed, click on **Submit Request** at the bottom of the page.

Submitting this form does not reserve your date; staff will contact you to complete the registration process and confirm details.

We're Here to Help

Contact Michele Van Hare at 970.962.2643 or Michele.VanHare@CityofLoveland.org for assistance with this process.

Outdoor Learning Adventures

Our volunteers are passionate about teaching kids to love nature as they learn about the environment around them.

Program Seasons/Info

Spring: April – May | Fall: Sept – Oct

Our Goal is to Support You

We are excited to offer opportunities to bring students outdoors. All programs support CDE Standards for education. For lists of supported standards for each program, please visit: lovgov.org/EnvironmentalEducation
This link also provides more information and resources, including preparatory materials and site information for each program location.

Facilities & Preparation

Covered picnic areas and restroom facilities are available at each location. Students should bring a sack lunch, extra clothing layers and wear closed-toed shoes and long pants for the best experience. Programs include lots of walking and a game or two that involves running. The games are lots of fun and educational, too!

Accessibility

Learning stations, trails and lunch areas are accessible by wheelchairs and scooters; terrain consists of packed surfaces & recycled asphalt. Include any special accommodations needed in your reservation request.

FAQ Answers

- The programs are FREE and are taught by trained Open Lands & Trails volunteers.
- We ask for program requests as far in advance as possible for staffing needs and bus availability.
- Transportation is the responsibility of the school. Transportation scholarships are available by request. Critter Scene Investigations for K–1st grade can travel to your school.
- We **require** 1 chaperone per 7–8 students. Group max is 60; larger groups come 2 days.

Notice of Non-Discrimination

It is the policy of the City of Loveland to provide equal services, programs and activities without regard to race, color, national origin, creed, religion, sex, sexual orientation, disability, or age and without regard to the exercise of rights guaranteed by state or federal law. It is the policy of the City of Loveland to provide language access services at no charge to populations of persons with limited English proficiency (LEP) and persons with a disability who are served by the City.

For more information on non-discrimination or for translation assistance, please contact the City's Title VI Coordinator at TitleSix@CityofLoveland.org or 970.962.2372. The City will make reasonable accommodations for citizens in accordance with the Americans with Disabilities Act (ADA).

For more information on ADA or accommodations, please contact the City's ADA Coordinator at ADACoordinator@CityofLoveland.org or 970.962.3319. Title VI and ADA Grievance Policy and Procedures can be located on the City of Loveland website at: lovgov.org

K–1st Grade

Critter Scene Investigation

Offered at your school or
Namaqua Park | 730 Namaqua Ave.

Critter Scene Investigations are 2 to 2.5 hour outdoor programs for Kindergarten through 1st grade students.

During CSI programs, students walk from station to station in small groups, collecting clues and information to solve a wildlife mystery. Each mystery is based on a real-life event that happened in one of our natural areas. The program changes each year so students can return and experience a new program. Morning or afternoon programs available.

Our open Lands & Trails
volunteers are ready to engage
your students in learning about
nature and the environment.

Grades 2–3

Plants & Places

River's Edge Natural Area | 960 W. First St.
Bus parking: on west side of main lot
Walk-in access: use crosswalks & underpasses

Program Length 4.5 hours total

The Mighty Cottonwood | 30 min
Students learn about the parts of a tree, the cottonwood life cycle and the tree's value and lore.

Young Botanist Microscope Lab | 30 min
Students learn care and use of low-power field microscopes, view samples of roots, stems and leaves and complete an observation sheet.

Unique & Hazardous Plants of Colorado | 30 min
What do "native" and "invasive" mean?
How do plants protect themselves?
What does poison ivy look like?

Plants & Places Habitat Hunt | 45 min
Students receive basic instruction on habitats and plants at River's Edge to use in a guided scavenger hunt. Length: 0.5–1 mi

Seed Dispersal Hike | 45 min
Students learn various methods of seed dispersal, collect specimens and compile a small collection to take home. Length: 0.5–1 mi

Includes Sun, Soil, Water & Air song and relay race

Grades 4–5

Canyon Ecosystem Exploration

Viestenz-Smith Mountain Park | 1211 Hwy 34
Bus parking: turn left, follow staff instructions

Program Length 4.5 hours total

Plant Life of the Canyon | 30 min
A walking tour presents information about different microclimates resulting in three different plant communities in the canyon.

Colorado's Life Zones | 30 min
Includes information on specialist and generalist animals. A look into species' habitat and food requirements and identifying which life zones they are found in Colorado.

Closing the Loop – Energy Returned and Recycled | 30 min
Includes discussion of decomposition, decomposers and items that resist decomposition resulting in habitat degradation.

Animal Adaptations | 45 min
Students learn how different adaptations increase ability to survive when the animal's physiology and/or behavior fit the environment.

Energy Through the Biosphere | 45 min
An overview of energy flows. Focus is on producers and consumers. Energy lost as heat and energy stored as biomass briefly covered.

Includes playing the Food Chain Game

Pre-K (PEEPs)

Preschool Environmental Education Programs

Various locations in Loveland parks and natural areas or your school

Program Length 1 hour

Open to preschool children ages 2–5 with their parents/caregivers/teachers. Each program offers information and activities to bring children into the world of nature, including hands-on activities, storytelling, games and crafts. Offered to the public on the third Thursday of each month.

PEEPs programs can also be requested for in-school pre-K classes and are dependent on volunteer availability.

Request online at [Offero.CityofLoveland.org](https://offero.cityofloveland.org)

Public Programs & Tours Education Programs

Guided Nature Walks – River's Edge and Willow Bend Natural Areas

History Tours – Viestenz-Smith Mountain Park, Old St. Louis Natural Area and Namaqua Park
