**Description of the Amendment:** The Millennium General Development Plan Major Amendment 11 (footer date [REDACTED], 20[REDACTED] includes the following):

1. The amendment revises the number of units permitted on Parcel B. The revisions include the following:
  - a. Section 1 –
    - i. Adjusts the maximum number of residential units permitted in the Millennium GDP to 10,382. This revision corrects an omission from an earlier Millennium GDP amendment and increases the maximum number of residential units currently permitted in Parcel B.
    - ii. Clarifies that single-family detached dwellings are allowable uses in mixed use village centers.
  - b. Section 3 – Increases the maximum number of residential units permitted in Parcel B from 1,080 to 3,357.
  - c. Section 11 –
    - i. Map 5 – Increases the maximum number of residential units permitted in Parcel B from 1,080 to 3,357.
  - d. Section 15 – Includes Major Amendment 11 in Appendix D (Amendment History).

The Sections references above, are revised and reprinted with approval of this amendment. A complete copy of the amendment is filed with the City of Loveland Planning Department. A copy of this "Sign-off Sheet" shall be included in **Appendix 'D' in Section 15 of the Millennium GDP**.
