Help us celebrate a century of service, innovation, and community spirit by designing a sticker that captures the energy of Loveland's 100 years of public power!

### **Theme: "100 Years of Powering Loveland"**

Designs should reflect Loveland's journey with public power—past, present, and future. Think about how electricity has shaped our city, from vintage streetlights and hydroelectric beginnings to clean energy, sustainability and community connection. Learn more about the history of Loveland Water and Power at [lovewp.org/history](https://lovewp.org/history).

### **Who Can Enter:**

Open to all students! Participants will be split into age groups

- Elementary School
- Middle School
- High School

### **Prizes:**

A panel of City of Loveland employees will select one Grand Prize winner and two Runners-Up from each age group.

- Grand Prize (per age group): Your design will be turned into official City of Loveland stickers to be distributed at the Loveland Water and Power Passport to Power event! You'll also be featured in the city's newsletter and on social media.
- Runners-Up (per age group): Swag bags and recognition on the City of Loveland website and social media pages.

 **Deadline to Submit:** June 14, 2025

### **Sticker Requirements:**

- Must fit within a 5" x 5" space
- Digital or hand-drawn designs accepted
- Must be original artwork
- 1 entry per individual
- Submission may be posted on social media

### **How to Submit Your Entry:**

You can submit your sticker design in one of two ways:

#### **1. Drop-Off:**

Bring your design and completed entry form to:  
City of Loveland Service Center, 200 N. Wilson Ave, Loveland, CO
