

NOTICE OF PUBLIC HEARING

Notice is hereby given that a public hearing will be held by the Loveland City Council on October 21, 2025, at 6:00 p.m. in the City Council Chambers, 500 East Third Street, for the purpose of considering amendments to the Loveland Municipal Code – Unified Development Code (UDC). The basis for proposing such amendments is in response to voter approval from the last City election to allow both retail and medical marijuana facilities within Loveland's municipal boundaries. In response, amendments to Loveland's UDC (zoning code) are necessary. These amendments include the use classification of a "Marijuana Business" indicating where such use would be considered in applicable zoning districts (i.e. proposed B – Developing Business and I – Developing Industrial only). Additionally, amendments would include special use standards along with adding a definition for "Marijuana Store". Notice is given so that all interested parties and citizens will have an opportunity to be heard. A call-in number can be found when the agenda is posted at the following website:
